“To God our Saviour who alone is wise, be glory and majesty, dominion and power, both now and forever.” Jude 1:25

Who We Are:

Amazing Discoveries™ is a registered non-profit organization in Canada and the US (501c3) committed to exposing deceptions and errors in the religious realm, history, science, media, and health. We accomplish this mission through seminars around the world, as well as through publications and broadcasting via internet, radio, and television. Our material attempts to provide life-changing information and to reveal evidence that allows people to make better decisions for their lives.

Help us continue to bring amazing discoveries in health, science, and the religious realm to seekers throughout the world by purchasing our products and donating to our various projects, which include:

Broadcasting
Our long-held dream is finally becoming a reality - global broadcasting of the Amazing Discoveries™ end-time message! This ambitious project will reach people 24 hours a day, seven days a week on TV and satellite across North America and the world.

Building
In April 2010, we purchased a new property which houses not only our offices but also a broadcasting studio and Presentation Theater. Donations to the building fund allow us to maintain this facility, pay off the mortgage, and complete needed renovations to the roof and other areas of the facility.

Wherever needed
When you designate this fund, your donation is applied to the most urgent needs whether public seminars or online and DVD evangelism, broadcasting, internet streaming, web evangelism, translations, or mission projects around the world. You can be sure that 100% of it will be used to cover a ministry outreach project.

Missions
Your donation will help us be able to support Pastor Victor Gill and others who are trying to meet physical and spiritual needs of hungry souls around the globe.

Translations
Many more translations are needed, including French, Japanese, Chinese, Czech, and other languages. Will you help us spread the Word by supporting this venture?

Evangelism
Your gift allows us to continue sharing the Gospel through the seminars around North America. Our Pastors and speakers are fulfilling requests in North America and beyond for evangelistic seminars on the subjects of Bible prophecy, health, current world events, and more. Your gift allows us to spread the Three Angels’ Messages to the world.

Watch this video to understand the truth: I think, therefore He is. (105 min)

There are compelling and disturbing trends in the world that we need to keep our eyes on. In this 5-part series with Professor Walter Veith we will look at the movements in the religious world that are seeking to trivialize Jesus Christ and to marginalize Protestants. What do the recent events on the world stage mean in light of Biblical prophecy? Is Islam rearing its head yet again? Are we reactivating the prophecies we are in doubt and if we encounter a Clash of Minds, go to God. He has the answers to all of our troubles.

241: Part 1 - As we go through the book of Acts we will see how Paul’s sea voyage is a typology to how we should view the mission of the Advent movement. Are we headed in the right direction? Are we doing what God has called us to do? We will look at some current events to evaluate what’s coming next from the enemy and see what he’s up to. Only then can we prepare and know how to respond.

This is a pivotal time in history. Rome is striving pull us into its arms. If anything is not aligned with the Holy Bible, then it is not from God, so let’s get back to the Reformation and not forget the protest that makes us Protestants!

All the Way My Saviour Leads Me
by Walter J. and Sonica Veith

Walter Veith is the first speaker with whom Amazing Discoveries partnered to help spread the truth about God. He has traveled widely throughout North America and the world presenting his visually documented Amazing Discoveries seminar series to large, enthusiastic crowds. He spent years as an atheist, married the daughter of an occultist, then finally converted to Seventh-day Adventism.

Sonica Veith’s life was destined down a path she could not have foreseen. Born into a family steeped in the occult, her father a renowned man in occult circles, as a child she experienced occult phenomenon as an everyday occurrence. But God had different plans for her. Married to a scientist passionate about his work, and adamant that evolution was the answer to origins, she journeyed through ups and downs as God led her to Himself and His Truth. How has God shaped Walter and Sonica Veith’s life? Hear the Veiths’ fascinating life stories from childhood to their present day ministry.

2203: Comparison of Religious Literature
Doctor Pandit evaluates Hinduism, Buddhism, Judaism, Christianity, and Islam to show the differences between them. If each and every one of these religions claim to be the one and only way to salvation, we must investigate carefully to discover the contrasts behind these belief systems. Pandit shows compelling historical evidence to sway us in favor of the truth: history proves the veracity of the Bible. (60 min)

2204: Comparison of the Founders 1
Learn how we can honestly inquire about Jesus’ life and the writings of the Bible. Perhaps, as many people believe, Jesus was just a good moral teacher but not the son of God. Pandit reveals his own searching methods to help us glean that we must accept that either He is, or He isn’t the son of God. (31 min)

2205: Comparison of the Founders 2
In the fifth part of Come Search With Me, Doctor Pandit brings the life record of religious founders into question. Did the lives of these religious leaders coincide with their written teachings? 2206: Post Death Scene - Climate after Founders Death
Jesus claims He’ll always be with us, and that He will return. Because of how incredible His life sounds, many people have come up with theories to disprove Jesus’ resurrection. 2207: Sequel to the Search - A Review
Many people think that Christianity is the best religion or that it’s somehow superior to all the other belief systems in the world. However, Doctor Pandit explores the ideas that Christianity isn’t necessarily better than other religions, but it is instead entirely different. In this seventh lecture from the Come Search With Me series, Pandit leads us into further exploration of what makes Christianity, and Christ, so special. (38 min)

2208: The Supreme Transaction
In this final lecture from the Come Search With Me series with Doctor Pandit, we explore the core of the Christian message, which Doctor Pandit refers to as “The Transaction.” What is this important transaction and how has it impacted all Christians and our salvation? (54 min)

Many people place their faith in the things of this world—power, fame, money—yet Should we wait for our sins to be overcome ‘sometime’ or should we expect the Word of James 4 indicates that those of faith do not have a distinguishing heart, which means they do not need to be partial towards anyone, even those in sin. How do those caught in sin feel around you? Do they feel comfortable? Should they feel comfortable? Should we wait for our sins to be overcome ‘sometime’ or should we expect the Word of God to take effect in our lives right here and right now? Faith says now!

There are those who purport to be Christian, yet when they open their mouths, their words tell a different story. Just as faith affects our actions, faith also affects our speech. Faith is more than a feeling, more than an opinion, and even more than a belief. Faith has substance—it can be seen, witnessed, and experienced. In short, faith works!

Even though Satan had been physically removed from the courts of heaven some 4,000 years earlier, it was only the sacrifice of Jesus that finally severed what Mrs. White called “the last link of sympathy between Satan and the heavenly world.”

If, by killing the sinless Son of God, Satan finally revealed himself to be the murderer he was from the beginning, why wasn’t he also destroyed the moment Christ died? Why would a God of love destroy all the wicked at the second coming only to raise all the wicked to life again after 1000 years... only to just turn around and kill them again?! By God’s grace we’ll see the vital significance this final step has in the destruction of Satan.

The Creation: The Earth is a Witness
with Henry Stober and Walter Veith
A movie about the Creator, His work and His love for you and me.

Was it the violent Big Bang explosion that gave birth to the universe and the development of life? Or is this old, Holy Book correct in its simple statement, In the beginning God created the heavens and the earth.

Creation or evolution - two world views that could not be more diametrically opposed, with far reaching consequences for the human race.

In a 30-minute video presentation by Prof. Dr. Walter Veith, a world famous scientist from South Africa, hard facts are brought to light. Through his expertise and own experience over many years, he has become a recognized authority on both arguments. You will experience scientific knowledge from a new, surprising point of view, presented in a logical and convincing manner.

Veith’s multimedia presentations are not only entertaining but also challenging. They touch hearts and minds.

Six years of working with the finest photography of Henry Stober, shot on five continents, have resulted in a work of art that gets under your skin.

Creation - a 60-minute movie in panoramic digital projection format, narrated by a professional speaker. You will discover the breath-taking variety of life in the sea, the air and on land in all its beauty.

This video makes a clear case for the premise that mankind is not the result of coincidence, but bears the unmistakable signature of a loving Creator.

The time of the Reformation is one of the most significant events that changed and turned the course of history. It was a period that transformed the world so dramatically that the effects are still echoing down to our times. More than half a millennia has passed since, and there have been tremendous changes that almost makes one wonder if there ever was a Reformation to begin with. Protestantism has been compromised and remodeled far away from its original ideals and Biblical foundations. Today we are nearing the 500th anniversary of Martin Luther’s declaration with his 1517 work The Ninety-Five Theses which set the Reformation in motion. It is time to rediscover what we have lost and forgotten from history’s past, to rekindle the flame that once inspired and motivated people to protest, to fight and yes even to die for their beliefs.

The Protestant Reformation will be celebrating its 500th year anniversary in 2017.

Why was it so important?

It re-established 2 pillars of the reformation:
1. The rediscovery of Christ and His salvation
2. The discovery of the identity of the antichrist

Now, 500 years later, the Protestant Reformation has almost been extinguished through Jesuit counter-reformation tactics and by the forces of ecumenism. Are you still a Protestant?

Scott Ritsema

UNdoctrinated by Scott Ritsema

In his previous seminar, “Schooled,” Scott Ritsema exposed the nefarious purposes behind worldly schooling. Today, these methods are widely being recognized as obsolete and even harmful to children. The collapse of the modern school is now underway, as home education is rising and a remnant of schools is bravely and radically re-defining education.

So, what is God’s answer to modern, worldly schooling? The time is now ripe to demonstrate to the world the fruits of the one, true, God-inspired educational template. “UNdoctrinated” will not only detail the beautiful features of that educational blueprint, but will also inspire parents, educators, and church members to capture the vision— an army of youth who finishes the gospel work and hastens the soon coming of Jesus.
