Where Is Your Faith?

by Victor Gill

Where is your faith? Is it in Jesus or is it in self? When Jesus was here, He asked the question, "When the Son of man cometh will He find faith on the earth." (Luke 18:8)

To make it more personal we could put it this way, when Jesus comes will He find me faithful?

We are living in a world today when the faith of so many is being visibly shaken. Our foundations are being attacked nowadays, and it was David who said, "If the foundation be destroyed, what can the righteous do?" (*Psalms* 11:3)

According to the testimony of Jesus, "The law of God is the foundation of all reformation." (8 T. 199) Oh how much we need faith today. Jesus spoke of the Kingdom of heaven as a grain of mustard seed. (See *Matthew* 13:31, 32, also *Matt* 17:20 and *Mark* 11: 23) From these passages we can easily see the value and the importance of faith. Our prayer should be that of the hymn writer who put it this way, "O for a faith that will not shrink though pressed by many a foe." There is an enemy at large today, who is attempting to destroy the foundation of every man's faith. And let us not think for a moment that our faith is so strong that nothing could shake us! Remember the words of the Apostle Paul in *1 Cor* 10:12 "Let him that thinketh he standeth take heed lest he fall". It is possible (see *2 Peter* 2:22.) "But it is happened unto them according to the true proverb, The dog [is] turned to his own vomit again; and the sow that was washed to her wallowing in the mire."

You remember that the disciples thought their faith was strong enough, and it was their lack of it, that caused Jesus to ask the question in *Luke* 8:25 "Where is your faith"? Please notice, Jesus didn't ask them, "Where is your job?" Or "Where is your bank account?" Or "Where are your investments?" But more importantly, He asked, "WHERE IS YOUR FAITH?" He also didn't ask them where their friends were, or what insurance they had. NO, NO - "WHERE IS YOUR FAITH?" He was not asking them some deep theological question, but rather something practical: not something denominational, but something personal. He said "Where is your faith" and in His name I ask that same question to you as to myself today, "Where is your faith? Where is my faith?" We hear a lot about faith at times, we know its definition, "the substance of things hoped for, the evidence of things not seen" (*Heb.* 11:1) We know that men are justifi-

fied by faith, "We know that without faith it is impossible to please Him" (*Heb.* 11: 6) We know that, "faith cometh by hearing and hearing by the word of God." (*Rom.* 10:11), but I wonder how much we know about the kind of faith Jesus was really talking about. Let's look again at *Luke* 8:25 - and consider the setting. Here we find Jesus and His disciples crossing the lake. It's a calm evening, quiet, peaceful, such a pleasant experience. Jesus was so tired and weary after a busy day. He lies down in the stern of the boat and soon fell asleep.

Suddenly darkness overspreads the sky. The wind sweeps wildly down the mountain gorges along the eastern shore, and a fierce tempest bursts upon the lake. Their boat is filling with water, every timber is being tested by the angry waves. The disciples are scared for their lives. (Read *DA* 333-335) Then He turns to those pale-faced disciples and asks the question, more effective than any sermon could ever be "WHERE IS YOUR FAITH?"

While on the land, their faith was in Jesus. He was a landsman, not a sailor. On the water, their faith was in themselves. They were the rough and rugged seamen. That sturdy craft had weathered many a gale and had brought them safely through to port. What did Jesus know about a storm like this? Yes, their faith was in themselves, - until the storm came. Suddenly their faith evaporated. Life is like a sea, dear friends. You and I are crossing it. Perhaps today its surface is calm and unruffled. The sunlight sparkles on the ripples, the south wind may blow softly.

BUT, to all of us some misfortune will come, Adversity will strike. The hour when it seems that the Lord is not with us, or has forgotten us, or has closed His eyes and ears to our prayers, or has gone to sleep. When we least expect it, or are not braced for it, it will strike with devastating force - perhaps not in one blow, but in blow after blow, in a series of tragedies, as with Job, and then "Where is your faith?"

Some of us will discover then that it has really been not so much in Christ as in our own selves. Our own works, our self-reliant ability and resourcefulness. Maybe our faith has been in our boat - our material support, our social and financial securities, in the steady job, the regular pay cheque, the money so carefully laid aside for a rainy day. Maybe its been in our relatives, our friends, our connections or in the laws that guarantee our liberties. But when the boat begins

to sink, and go down, what then?

When you lose your job, when your nest egg evaporates, when financially you are wiped out, when your friends turn against you, when even the children you sacrificed for desert you - then where is your faith?

My friends, I have painted for you a picture of grim reality. "For the great day of His wrath is come and who shall be able to stand?" *Rev* 6: 17 Thank God, it is possible to stand today, and in that day, if your anchor is grounded in the Rock of Ages. As a young man growing up on the coast of Newfoundland fishing at the age of 15 with my friend a year younger than myself, I know what it is to be drifting at sea, headed for the rocks of disaster until my anchor holds. What a relief to know you've hit bottom and your anchor holds. Spiritually speaking it is important to know, "For other foundation can no man lay than that is laid, which is Christ Jesus. *1 Cor.* 3:11 Our hope must be in Jesus today. "While we look not at the things that are seen, but at the things which are not seen; for the things that are seen are temporal, but the things that are not seen are eternal." *2 Cor* 4:18

I think of these children of Israel there in the desert wilderness for 40 years. Not because it was God's will, but because they feared giants. God did not design them to be there. But it was because they failed to follow the councils of the Lord. God had ordered their course so that entrance into the promise land might be accomplished. (*Ex* 23:22-30)

"But if thou shalt indeed obey my voice, and do all that I speak; then I will be an enemy unto thine enemies, and an adversary unto thine adversaries. For mine Angel shall go before thee, and bring thee in unto the Ammorites, and the Hittites, and the Perizzites, and the Canaanites, the Hivites, and the Jebusites; and I will cut them off. Thou shalt not bow down to their gods, nor serve them, nor do after their works: but thou shalt utterly overthrow them, and quite break down their images. And ye shall serve the Lord your God, and he shall bless thy bread, and thy water; and I will take sickness away from the midst of thee. There shall nothing cast their young, nor be barren, in thy land: the number of thy days I will fulfill. I will send my fear before thee, and will destroy all the people to whom thou shalt come, and I will make all thine enemies turn their backs unto thee. And I will send hornets before thee, which shall drive out the Hivite, the Canaanite, and the Hittite, from before thee. I will not drive them out from before thee in one year; lest the land become

By little and little I will drive them out from before thee, until thou be increased, and inherit the land.

Read the whole story in *Num* 13:14-33, and see what happened because of their lack of faith. Verse 30 reads, "And Caleb stilled the people before Moses, and said, Let us go up at once, and possess it; for we are well able to overcome it." Verses 31-33 God knew there were giants in the land and God had already lined up His defenses.

God knew what to do about the giants, but the people feared! It is wrong for God's people to fear to do right. It is wrong for God's people not to trust in God.

This was an insult to the God of Heaven. These who had witnessed His mighty miracles in the desert and at the Red Sea couldn't even match faith with a street walking harlot who lived in the red-light district of Jericho's ghettos. Rahab believed, but the people who had seen the work of God could not!

The church of the wilderness, like that of today, was dazzled by the exploits of God's great yesterday. They gloried about telling about the God that was, and were willing to take a chance on the God that shall be, but they had a problem with the God THAT IS!!

I declare unto you today, that from heaven God thunders I AM, and the faith of God's people must echo "HE IS!"

He is God!

He is a present help in trouble!

He is the light of our salvation.

He is the sustainer of all life.

He is the salvation of His people.

He is the way, the truth, the light.

He is the mighty deliverer, Saviour.

He is the abiding presence.

He is the defender of the church.

He is the bread of life.

He is the strength of His people.

He is the risen Lord.

He is able to keep us from falling.

One of the most difficult messages for us to understand and accept is *James* 1: 2-3 "My brethren count it all joy when ye fall into divers temptations; knowing this, that the trying of your faith worketh patience."

"Count it all joy.... When you meet various trials, for you know

that the testing of your faith produces steadfastness." RSV.

"God never would send you the darkness
If He knew you could bear the light,
And you would not trust to His guiding hand
If the way were always bright,
And you never would learn to walk by faith
If you always walked by sight."

Yes, no matter how dark the future is, or the present seems
"yet behind the dim unknown standeth God within the shadows,
keeping watch above His own."

Put your trust in God, friends. He knows all about you.
He even knows how many hairs you have on your head.
Let's not be like the Israelites any longer. There they were -
2 million of them with not as much faith as an old man with
a stick who came along and led them on to victory.

We serve a living God today. He IS ABLE!

During the Second World War in England, a little girl was left motherless.
During a bombing one night, her father took her under ground in a bomb shelter.
It was terribly dark, you could hear the planes flying over head and the bombing taking place in the distance.

The father wrapped his little girl in his heavy coat and laid her on a little cot to sleep.
She was so scared, and kept asking "Daddy, are you there?"

O my friends, if your trust is anchored, not in the seen but in the Unseen you may be sure that in the darkness no matter how deep or dense, or long it may be— you may be sure that your Father is there with you and His face is turned your way. God bless you all.

Before the throne of God above
I have a strong, a perfect plea
A great High Priest whose name is Love,
Who ever lives and pleads for me.

My name is grave on His hands,
My name is written on His heart,
I know that while in heav'n He stands
No tongue can bid me thence depart,
No tongue can bid me thence depart.

The Greatest Release Of Spiritual Energy

by Floyd Sayler

The greatest release of physical energy this world has ever known came as a result of the implementation of a special equation developed by Albert Einstein in the early 20th century. In its simplest form, that equation is $E=mc^2$. This formula lay on the drawing boards of the world's leading physicists for several decades. It was just an interesting theory which no one had ever tried to implement.

Then World War II broke out in Europe. Suddenly there was a feverish race by both sides of the conflict to implement this formula and make an atomic bomb. It became the top priority on both sides, because it was obvious that whoever developed it first would be masters of the world. And the world has never been the same since. The development of Einstein's simple equation catapulted the world into our modern atomic age.

God has also given to His remnant church a simple equation that, when implemented, will result in the greatest release of *spiritual* energy this world has ever witnessed. That equation is encapsulated in that one text of scripture which is both the foundation and central pillar of the Advent faith. Inspiration has identified that text for us in these words:

"The scripture which above all others had been both the foundation and the central pillar of the advent faith was the declaration: "Unto two thousand and three hundred days; then shall the sanctuary be cleansed." *Daniel 8:14. (GC 409)* This text of scripture is the Biblical $E=mc^2$ that God gave us over 160 years ago. It has been on our theological drawing boards for all these years as a theory, but is has never been implemented. Yet how important it is at this time, when the battle of Armageddon is approaching its final showdown, that God's people implement this divine equation for the release of unprecedented spiritual power that will bring the great controversy to a speedy conclusion.

What is it in *Daniel 8:14* that makes it a divine potential for the release of such great, spiritual energy? It may seem almost incredible, yet one of the clearest explanations to that question is found in the physics of producing an atomic bomb. To make such a nuclear device, two cone-

shaped masses of radioactive material of sub-critical size are needed. By themselves, neither of these masses will be large enough to trigger a nuclear explosion. However, when these two sub-critical radioactive masses are placed inside a steel cylinder and jettisoned together, like thrusting a finger into a glove, they will produce a violent nuclear explosion. The cities of Hiroshimo and Nagasaki are monuments to the power inherent in the equation $E=mc^2$.

Similarly, in the spiritual realm, there are two elements inherent in *Daniel 8:14* that, when combined, will release an unprecedented abundance of spiritual light and power. These two elements are identified in *Acts 3:19*. "Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord" Here we have the spiritual combination. It is the blotting out of sins and the latter rain. When the sins of God's people are blotted out in the judgment and they are filled with the latter rain, the earth will be lightened with the glory of God. This is described in Inspiration. "And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory. And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird." *Revelation 18:1-2*

When this happens, the work will go like fire in the stubble. *Joel 2:2-11* gives us a graphic picture of God's last army going forth to fight the battle of Armageddon. *EW 278* also gives us a thrilling preview of what is yet to be. "The light that was shed upon the waiting ones penetrated everywhere, and those in the churches who had any light, who had not heard and rejected the three messages, obeyed the call and left the fallen churches.... The third message was to do its work; all were to be tested upon it, and the precious ones were to be called out from the religious bodies. A compelling power moved the honest, while the manifestation of the power of God brought a fear and restraint upon their unbelieving relatives and friends so that they dared not, neither

had they the power to, hinder those who felt the work of the Spirit of God upon them". At this time, Christ will encourage His people with the words, "Arise, shine, for thy light is come, and the glory of the Lord is risen upon thee....And the Gentiles shall come to thy light, and kings to the brightness of thy rising." *Isaiah 60:1&3*

The question may be raised as to why the blotting out of sins is such an integral part of the spiritual equation which will bring such a mighty demonstration of spiritual energy? Couldn't Christ bestow the latter rain without the blotting out of sins? The answer is 'No'. For example, if we have an electric motor which is wired for 120 volts of power, we cannot connect it to a 240 volt power source, or it will burn out the motor. Likewise, while God's people still have the knowledge of evil, the corrupt human channel which we have discussed in the previous issue, the latter rain's high spiritual voltage would consume them. To sin, the presence of God's Spirit is a consuming fire. Therefore, God has promised to give "you the former rain moderately". *Joel 2:23* God has to give us the Spirit in moderate amounts after we are born again, gradually increasing the measure as we grow spiritually and become purified from our hidden sins. By daily abiding in Him, we will be able to receive more and more of the infilling of His Spirit. At Pentecost, we see the full power of the former rain, and its glorious results. Yet we are told that the latter rain will come with even greater power and abundance. Note the following:

"It is with an earnest longing that I look forward to the time when the events of the day of Pentecost shall be repeated with even greater power than on that occasion. John says, "I saw another angel come down from heaven, having great power; and the earth was lightened with his glory." Then, as at the Pentecostal season, the people will hear the truth spoken to them, every man in his own tongue." (*6BC 1055*) Also see *COL 121*

The former rain is bestowed while Christ ministers to His people the benefits of the first apartment. The work of the Holy Spirit in former rain power is represented by the candlestick in the first apartment. But the light of the candlestick is not as penetrating as the light that shines from the Shekinah glory in the second apartment. The latter rain will come as a result of Christ's ministry in the most holy place. The Shekinah glory manifest in the sanctuary is representative of the glory and light that will rest upon God's people when they are filled with the latter rain and 'Arise and shine because the glory of the Lord has risen upon them.' But that light and glory will not come apart from the other benefit of

Christ's most holy place ministry, which is the blotting out of sins. "An effort was made to arouse them by presenting our true position in the antitypical day of atonement, when every man should afflict his soul before God, when sins should be confessed and go beforehand to Judgment, that when the times of refreshing shall come they may be blotted out." (*RH 10-21-84*)

The fullness of divine power can only be given to those who have been cleansed from every defilement. Only those who have had their sins blotted out will be able to stand without a mediator during the time of trouble and to look upon the undimmed glory of God. Inspiration tells us that, "When John in his mortal state beheld the glory of God, he fell as one dead; he was not able to endure the sight. But when the children of God shall have put on immortality, they will "see him as he is." They will stand before the throne, accepted in the Beloved. All their sins have been blotted out, all their transgressions borne away. Now they can look upon the undimmed glory of the throne of God." (*Maranatha 349*)

So the message for those living in the closing period of earth's glory is "Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord." (*Acts 3:19*) The holy Shekinah glory will shine forth from the cleansed human temple in mighty power and illumination as described in the following passage.

"The temple of God is opened in heaven, and the threshold is flushed with the glory which is for every church that will love God and keep His commandments. We need to study, to meditate, and to pray. Then we shall have spiritual eyesight to discern the inner courts of the celestial temple. We shall catch the themes of song and thanksgiving of the heavenly choir round about the throne. When Zion shall arise and shine, her light will be most penetrating, and precious songs of praise and thanksgiving will be heard in the assemblies of the saints. Murmuring and complaining over little disappointments and difficulties will cease. As we apply the golden eyesalve we shall see the glories beyond. Faith will cut through the heavy shadow of Satan, and we shall see our Advocate offering up the incense of His own merits in our behalf. When we see this as it is, as the Lord desires us to see it, we shall be filled with a sense of the immensity and diversity of the love of God." (*6T 366*)

Testimony of an Illuminist

by Mark Cleminson

"My sheep hear my voice, and I know them, and they follow me: And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. My Father, which gave them me, is greater than all; and no man is able to pluck them out of My Father's hand. I and my Father are one." *John 10:27-30*

We serve a God that is above all power and all principalities. We serve a God that, by calling upon His name, can bring holy angels about us and can drive away any evil force that comes our way.

We are His chosen sheep that have been given by the Creator of the Universe His only Son. We are children of the Most High God. We are to have to Him an allegiance. We in turn are guaranteed eternal life and permanent protection; all the resources are committed to our preservation. No man or created being is able to pluck us out of the Father's hand.

Revelation 18:4 says: "And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues."

Sister White, William Miller, and others gave gospel news about what Babylon is and that is what we are to do in these endtimes. It is not only to call the people out but to tell them what Babylon IS; to open it wide up so that people understand what are the powers that be and what are those behind those powers.

This is my testimony of what has been in my life and continues to be, as we are in a daily battle, but also how we are already winners in this battle. In 2001, the Lord called me out! I was born into an Illuminist family. It is a family that has, for generations, been involved in Luciferian worship and doctrine. It comes from the beginning of time, all the way to the Garden. This is not something that I chose. This is something that, as my mother said to me, "This is what we are. This is what we have always been and this is what we will continue to be. We don't know anything else."

"And no marvel; for Satan himself is transformed into an angel of light. Therefore, it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works." 2 Corinthians 11:14, 15 This is an explanation of what our adversary is and will be like in these end times. I put emphasis on that - WORKS - because this is going to be brought up later about how our enemies view themselves and their works. Lucifer, which is the LIGHT BEARER, also called Satan, is illuminated, along with his fallen angels. The third of heaven, which were cast out, were called the Brilliant Ones; they have deceived many throughout generations. These are also known as the Nephillum or the fallen ones. The word "ILLUMINATI" is derived from the name ILU, which was the name given to the ancient god of the Chaldeans. They knew him. He was Belzebub. He was the Lord of the Fly swiftly. He was the Light Bearer. This is where the whole UFO phenomena has come from and continues to come from. Sister White explains that evil angels will appear to many. Wondrous miracles will happen, and even the Bible tells us that Satan himself will call fire down upon the earth from Heaven. These are all things which you and I are going to see because we are in the Last Days.

"For there shall arise false christs, and false prophets, and shall show great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect. Behold, I have told you before. Wherefore if they shall say unto you, Behold, he is in the desert; go not forth: behold, he is in the secret chambers; believe it not." Matthew 24: 24-26 The secret chambers are a part of their works.

"Now the serpent was more subtle than any beast of the field which the Lord God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? And the woman said unto the serpent, We may eat of the fruit of the trees of the garden: But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die." Genesis 3:1-7

God didn't say you couldn't touch it. But Eve said she couldn't touch it. "And the serpent said unto the woman,

"Ye shall not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil." And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat. And the eyes of them both were opened, and they knew that they were naked; and they sewed fig leaves together, and made themselves APRONS."

Aprons are another symbol of their works and of their secret chambers.

Sister White writes: "A power from beneath is working to bring about the last great scenes in the drama - Satan coming as Christ, and working with all deceivableness in unrighteousness in those who are binding themselves together in secret societies." *Testimonies to Ministers and Gospel Workers, Volume Eight, p. 28*

My Bible talks about those children of disobedience in their works, in their secret chambers, wearing their aprons of wisdom. Who are these people and what is their god? They call them YahBalOn. Revelation points them out as Apollyon or Abaddon. This is the god of the Freemasons, which is actually interwoven with the Illuminati.

I don't know how many generations of my family have been involved. I know the roots of my family go to Pope Clement, which was a pagan, and I know, from what my parents have told me, this is what we have been and this is what we have been for many, many years. Sister White writes that, in the end times, those who were the closest to Satan will become some of the greatest of the Lord's army and I praise the Lord for pulling me out, for plucking me out of that fire, and bringing me to a point where I can serve Him instead.

I used to go to Transcendental Meditation, to find and open my eyes, to open the Third Eye as we call it, to go and levitate the body, to move the mind through astralprojection, and to be in places where our bodies are not anymore, to read minds, and see things through clairvoyance. This was just something that was normal behavior for me. I would come home after school at the age of 12 and would go into my room for several hours and go into my mantra and levitate off my bed and spend time in a world full of spirits, which, to me, were my dead ancestors. But what I have come to find out is that they were devils in disguise! When I went to my parents and told them what I was up to, it wasn't

abnormal. To them it was, "Be safe, be careful, watch out when you're out there."

"When thou art come into the land which the Lord thy God giveth thee, thou shalt not learn to do after the abominations of those nations. There shall not be found among you anyone that maketh his son or his daughter to pass through the fire (that is a ritual that is used in Satanic worship and in Freemasonry), or that useth divination (which is fortunetelling), or an observer of times (an astrologer), an enchanter, or a witch, or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer (which is somebody that conjures up the spirits). For all that do these things are an abomination unto the Lord: and because of these abominations the Lord thy God doth drive them out from before thee. Thou shalt be perfect with the Lord thy God." Deuteronomy 18: 9-13 We find that perfectness by His righteousness, His robe that He wraps us with that has been given to those who seek Him.

For many years, I worked in the high-tech field. My work culminated at IBM. There I was involved with many of the agenda and technology of the New World Order. I was actually asked to be a part of a Think-Tank of 200 individuals at the IBM Institute to bring the company into the new millennium. That is a company which I believe is still the largest organization in the world. It has over 350,000 employees and probably as many consultants that work for them, as well.

Revelation 18 tells us that Babylon is fallen. The chosen people of God are commanded to depart from her. The kings of the earth and the merchants are drunk with the wine and they mourn over her, and finally the saints rejoice at the judgments God places upon that whore. Look at the merchants of the world. You can see it happening today all around us - the corruption, and some of it gets exposed, like Enron or others, but most of it is done behind closed doors, on golf courses, with secret handshakes, and winks of the eye. That was common practice in the business that I was in. I was involved exclusively in government work, from the NSA to the CIA, federal agencies, state and local law enforcement. The corruption runs very wide and very deep. We had a phrase that we used quite often when we came out of a meeting. "Today, you are going to get industrial amnesia. You are going to forget what you just learned and you are going to keep it in a hidden spot in the back of your head. You are not to share it with anybody." That was common practice in the group that I ran with and worked with, as well as the customers that we worked with.

Revelation 18:23 is going to talk a little about the merchants and these people in power. "And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived."

The Illuminati practice Druid witchcraft, which is probably one of the most heinous forms of witchcraft on the planet. It culminates with human sacrifice as an offering for those who sign their name in the Book of the Dead. Lucifer has his counterfeit in everything. When you sign your name in the Book of the Dead, you have actually signed a warrant on your life if you ever decide to leave. It is not something that you can just do. But many times I have witnessed to my old friends and family. We have nothing to fear, because if the Lord is with us, who can be against us?

Matthew 16:26 states: "For what is a man profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul?"

I have been asked that question. I was given lots of power and I was paid lots of money, lots and lots of money; and I thought it was great. I thought that was what the American Dream was all about, but what it is is a relationship with a group of tightly-knit individuals who have a different agenda for the Planet.

James 4:4. "Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is an enemy of God."

We are to be a particular and peculiar people. We don't belong here; this is not our home. We are to get out that Third Angel's Message. This is the time, this is the awakening, and this is the reformation. Ellen White lived just a few houses from here and she wrote and said that it is going to come back and it is going to catch fire and it is going to go down the east coast and it is going to go wrap itself around the world. I want to be there!

Ephesians 5:6-11: "Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience. Be not ye therefore partakers with them. For ye were sometimes darkness, but now are ye light in the Lord: walk as children of the light:

(For the fruit of the spirit is in all goodness and righteousness and truth;) Proving what is acceptable unto the Lord, And have no fellowship with the unfruitful works of darkness, but rather reprove them."

Reprove them means to condemn or correct them; it means to be verbal about it. Now I know everybody will have a different way of addressing issues to those individuals who are our enemies or our adversaries, because many of them really don't know what they are doing or how they have been deceived but there are a lot that do. This is an area where I am struggling with in my walk: placing a place at my dinner table for my enemy, because I have known and seen just how destructive they are and how they hate this church in particular.

In the 40's, a couple that I know went down to the county courthouse because they wanted to get a copy of their plot plan. When they were shown and asked to sit down and review it, they noticed in the bottom corner of that plot plan the initials SDA and they thought that was kind of odd. So they knew other SDA individuals in the town so they decided to look up their plot plans as well. Imagine that. It was written on every single one of them. So they went to the mayor and they went to the county commissioner and they said, "What is this?" They wouldn't answer them, but they knew in their hearts that they have been targeted as a particular people that have a truth, that is and will be a double-edged sword against them.

When I left the secret society and the practices I had done for so long, my father didn't understand. He didn't like my sharp tongue because I shone the light on that part of my life and I spoke quite adamantly about their works, their secret chambers, and their other involvements. My father said, "Be careful because you are going to end up with a bullet in your head if you don't shut up." That was harsh hearing that from my dad, somebody that I looked up to, somebody that helped to build part of my character, somebody that told me: don't lie, don't cheat, and don't steal. I came to find out all three of those things happened to me. I was lied to about the Truth, I was being cheated out of my salvation, and it has been stolen from me from a god which he serves. I had a difficult time with that. Today I don't talk to my parents. I don't talk to my brother or my sisters. We have an understanding; we serve two different masters and we leave it at that. I pray for them constantly. I carry their pictures in my Bible to remind me, but that is what they have chosen. They think that they know what is best for this world; a world that is dying and is going to be destroyed soon.

Mark 13:12, 13 says "Now brother shall betray brother to death (this is a dual prophecy in my life), and the father the son; and children shall rise up against their parents, and shall cause them to be put to death. And ye shall be hated of all men for my name's sake: but he that shall endure unto the end, the same shall be saved." That is another promise that I am standing on right now.

When I left my career, it was actually a couple of months before that that a born-again Christian came up to me at work, and planted a seed in me that I didn't realize would grow into what it has today. He said, "You don't know what you are running with, do you?" He explained it a little to me and he gave me a couple of words and I decided that I was going to research this. When I did, I ended up reading material written by an Adventist, William Sutton, who

wrote several books on the Antichrist and the Illuminati and the New World Order. He opened my eyes to a great amount of knowledge that he has accumulated over his 30 years of researching and exposing Babylon.

When I left IBM, I secluded myself. I had bought a camp in the Adirondack Mountains through a family friend on a road called Columbian, which is a branch of the Illuminati in North America and of which Bill Clinton's father was the head of the lodge in New York and who was a Luciferian. Up there is a very dark place in the Adirondacks. I wanted to know the truth about who I was, where I came from, and what I needed to learn to discern this world around me. Also during this time I spent a tremendous amount of time soul searching in the Bible. I didn't go to any particular church because I didn't know that there was any particular church that kept the law. I stumbled upon it because I was reading Adventist material and ended up in a camp meeting in upstate New York about two and a half years ago.

I was seeking the truth of the present darkness that had overshadowed my life, my family and my friends. I read a great deal about the adversary and down that rabbit hole I went, just like in Alice in Wonderland. You can fall down, down deep into it, and it will draw you if you are not careful and if you are not strong in the Lord because they know you are looking at them and they crowd around you, which I am going to explain to you in a minute. It brought me to a place of great understanding into secret societies, which not only culminates in the Illuminati, but the Bilderbergers, the Council on Foreign Relations, the Trilateral Commission, Freemasonry, and a host of other groups, which some we hear about in the news that are helping to establish our poli-

cies and move this country forward. Our great leader that sits in the White House is a member of the Skull and Bones Society; also known as the Society of Death, which goes back to the roots of the Thule Society, which Adolf Hitler was a member of and which Preston Bush, George's grandfather, funded. If you will do your research, you will find it is not a White House; it is a Light House, a light house to a false light.

"And we know that all things (that is the good and the bad, it's the difficult times; it's the times when the Devil is poking at you and it is when you are not feeling good and those around you are hurting with pain) work together for good to them that love God, to them who are the called according to his purpose."

I began to teach my daughter, Regan, about the truth. But she was taken away by the courts because I was teaching her something that made them very uncomfortable. The judge was a Mason. After interviewing six or seven attorneys, one decided to take my case; and he said, "You don't understand, Mark, they are going to squash you like a bug and you don't have a chance. You are fighting them and the system." And I

said, "Well, you don't understand my God." He was actually a student in the seminary and decided to become a lawyer when things didn't work out for him in the seminary. So he and I had a chance to witness together, and he knows that the day is going to come when he is going to have to make a choice. For 16 months, I was not allowed to have contact with Regan, only by phone. The first six months were extremely difficult. I didn't trust anyone, especially not my family and my old friends. I came to a place one night in my car, it was my last refuge, and I called Regan and I said I am at the bottom and she said, "Dad, the Lord took me up and set me next to His throne and He told me, 'Stay in what you are doing.' He is very proud of you. Stay close to Him." That helped me get by for the next year.

Romans 8:28, 29 was my comfort: "And we know that all things (that is the good and the bad, it's the difficult times; it's the times when the Devil is poking at you and it is when you are not feeling good and those around you are hurting with pain) work together for good to them that love God, to them who are the called according to his purpose. For whom He did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren."

The system had intervened in my relationship with Regan, but the spiritual forces were working together for good.

"And he said, Draw not nigh hither: put off thy

shoes from off thy feet, for the place whereon thou standest is holy ground." Exodus 3:5

When I was in upstate New York, I was being followed and watched. Across from the camp was an Intelligence Center for the DEC, Department of Environmental Conservation and the State Police. One night I was looking through a pair of binoculars at the center, and I found myself looking through a pair of cross hairs across the lake pointed at my head, and I waved. We knew each other's presence. One night it culminated into a situation very late where 20 or so men in full regalia, in hoods and cloaks, came around as I was sitting there on the porch. I thought to myself, "What have I gotten myself into?" They had devils with them, giant men of the earth, Nubians. I heard a small little voice in my ear and it said, "Take off thy shoes and thy socks and go out there and tell them you belong to Me." So I did that and I stood around them and they heckled me and they called me names and told me that I was not going anywhere for they they knew where I was. I replied, "Go ahead and take my life, but I have given my soul to the Lord. You can have this body, but you can't have me." I didn't realize until much later that I was standing on holy ground because they would have taken my life at that moment, I am sure. Perhaps we should listen more to that little voice in our ear.

1 John 1:9 says we ought to "confess our sins" because "he is faithful and just to forgive us our sins." It has to happen! What happens when we ask for forgiveness of those sins? Luke 15:10 tells us. "Likewise, I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth." REPENT. Can you imagine what it will be like on the sea of glass? Regan has been there; I have been there. We have been witness to the throne. That was something that we kept to ourselves for a long time because we were going to be labeled as odd or crazy. But the Lord had to give us those visions in order for us to be able to stand firm in His faith. So from now, I know that the chain has been broken in my ancestral life to my daughter. I still carry sin around which I am still washing with Jesus' robe by putting it on.

"For whosoever shall call upon the name of the Lord shall be saved." Romans 10:13

Mark 11:22, 23 tells us: "And Jesus answering saith unto them, Have faith in God. For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith." What power!

This is not just something to symbolize his power; this is real stuff! I have had demons in my house, I have had demons around my bed, I have had situations in my life where if I call upon the name, they are driven back! They go back into the darkness where they came from when we call upon His power. When we access it, nothing can't be done. No mountain cannot be moved.

Our Scripture text of Romans 8:28, 29 also tells us that His church, which is us today, is His chosen, His Bride, to move forward the great commission of preaching the Good News and this living Gospel that we have and to finish with Him the message of the Third Angel, remembering His promises. His promises as stated in 1 Peter 2:9: "But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light."

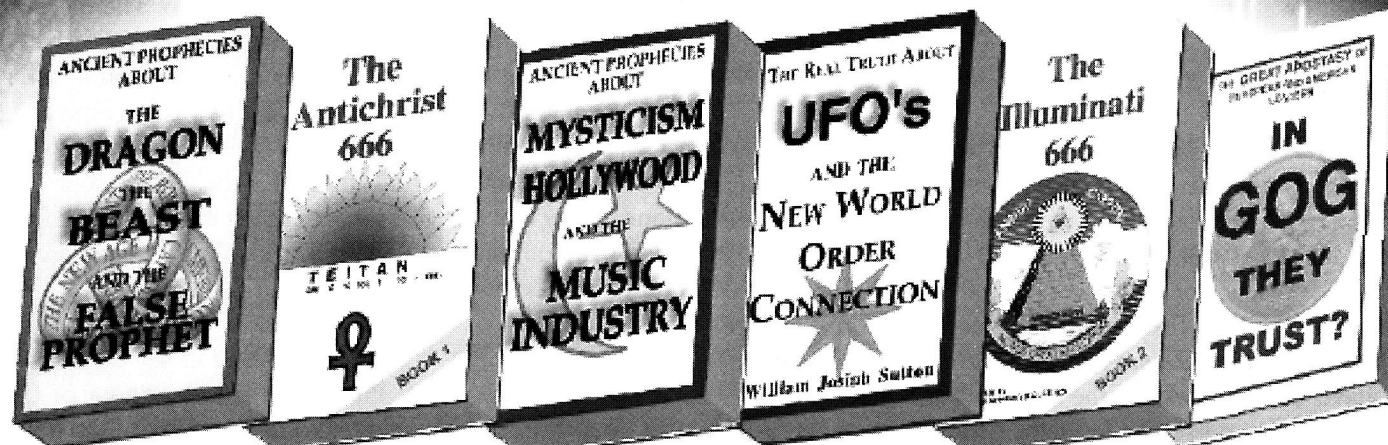

Another name for Egypt is darkness, and I praise the Lord He called me out of that darkness. I am in His hand; nothing can pluck me out. I can make a decision on my own free will to walk away, but I am not going to. There is nothing more beautiful than knowing that the Lord God loves us and wants us in His eternal kingdom. I can't wait to see all your faces on that sea of glass. I can't wait to come to the Tree every month and to eat of that fruit and to come to your homes in the country and to meet with you in your mansions. I pray that some of you are going to be my neighbors! So you are not far away when I call and say, "What are you doing this afternoon, this day?"

"Finally, my brethren, be strong in the Lord, and in the power of His might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil." Ephesians 6:10, 11 That is not a symbol to just think about; it is something to do every morning. We are in a battle and the devil hates us who have the truth and the only way to stand against him is to put on that armor and go out and be the ambassador in bonds, that He has asked us to do.

May the Lord continue to give us strength and opportunity to give the message to a dying world. The work that He has begun, He will finish in each of us! Praise the Lord!

Journal of an Evangelist

by Victor Gill

Pastor Victor Gill and Walter Veith teamed up for a series in L'viv Ukraine in June 2005. Following are his reports throughout the series of his experiences and the evangelistic series itself. One of our directors, Wenzel Goubey, and another man who often travels with Pastor Gill to the Ukraine accompanied him to help interact with the people in the Ukrainian language. Wenzel Goubey arrived several days late due to flight complications.

June 3, 2005

Dear family, friends, & loved ones,

I'm sending you this from the Ukraine, in the city of L'viv. A city of some 880,000 mostly Roman Catholics and other Pagans. There are more heathen statues here than you can imagine. What idolatry! I think I know what Paul felt when in Athens.

But God is blessing. Our attendance is growing. So far its Dr. Walter Veith preaching each night. He will be done and gone on Monday. Then I take over. He's been dealing with Creation / Evolution, Wine of Babylon, Secret Societies, New Age Movement, The New World Order; Secret Societies; the Ecumenical Movement, and the UN. Powerful presentations in this wicked city. It takes courage to preach such truths. Praise God for such men of courage. On Monday I take over and preach the

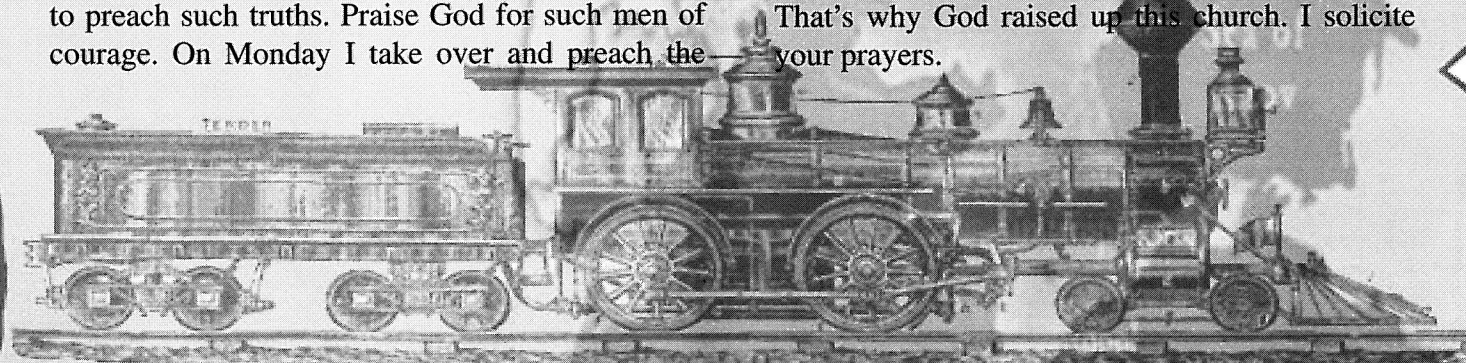

"Three Angels' Messages". May God continue to bless is my prayer. Keep us in your prayers.

Lovingly yours,
Vic

I'm here for my 20th evangelistic series in this country. Dr. Walter Veith is leaving today. (Monday) He has had such wonderful lectures! This has been "Present Truth" for these days in which we live. It must be preached. It takes courage to preach it. No wonder many of our own leaders try to stop it. They are scared. These people here that have been coming night after night are so grateful for the information. We have Professors of Universities coming and expressing gratitude for such material. It is indisputable material, direct quotes from their own sources.

I start my lectures tonight. So far we have had a good group coming each evening. I pray they will continue to come. This is a very strong Roman Catholic city. To tell these people that the Pope (Papal System) is AntiChrist takes courage, but I must tell them. They must know. Their eternal destiny depends on their correct understanding of such vital truths found in Daniel's prophecies. That's why God raised up this church. I solicit your prayers.

Yesterday we went to see some old RC Castles and churches from the 16th and 17th centuries. We went downstairs and saw where the Inquisition took place and the chamber of horrors. I took pictures of everything. It is awful.

Across the way was another church of about the same age, we were not allowed to go in there. It was all walled off with high cement walled fences and policemen with bullet-proof vests guarding the place. Why? This is way out in the country where no one lives anymore hardly. Why such armed protection? We asked the police if we could go in and take some pictures. They were very stern with us, not a smile and said, "No, you are not allowed." We suspect they were, as Ellen Whites says, preparing such places again, to repeat such punishments for "heretics" such as us..

We are nearing the time I can assure you, when we will see it happen again to those who are true to Jesus.

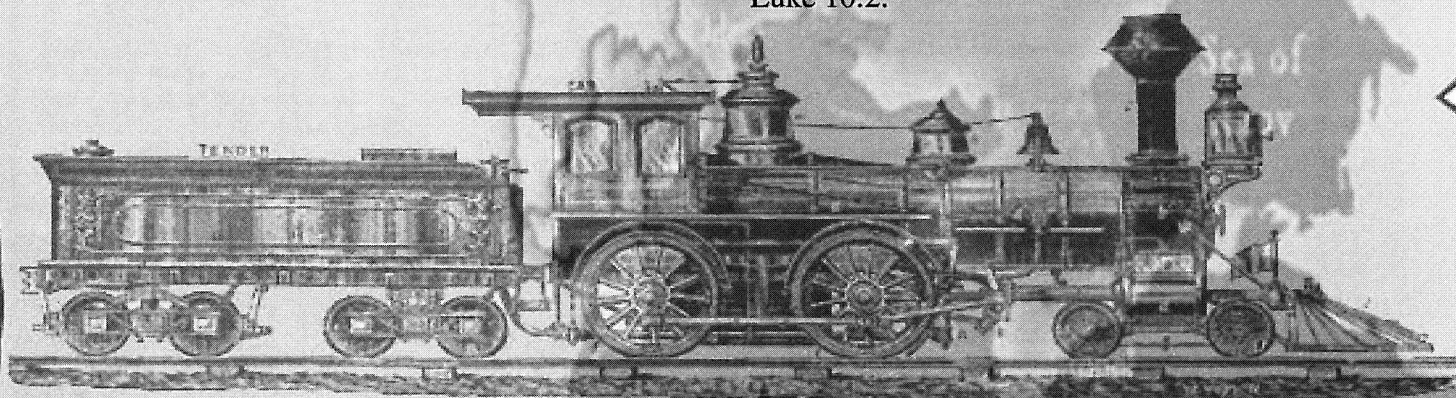

This new pope was the head of the revived inquisition. Now they have an American to take his place. Lord help us.

I have arrived in L'viv minus one small suitcase. I have experienced my first meeting. It looks good. The attendance could be better. But it's not quantity, it's quality we're after.

I had my first night here in my new bed. The pillow is like crushed rock, the covers are like a soaked up bear skin, but it's better than sleeping underneath the trees.

The weather here is lousy. About 10 degrees and raining. It feels like winter is on its way.

Today we go to Sokal. Victor is going there to visit a church that he helped pay for a number of years ago and has never seen yet. The members have requested him to come preach to them today as this is an Orthodox holiday and everyone is not working, so they are having a gathering at the church at 12:00 noon so he can see everyone at that time. It is about 80 km from here.

Home at Last!!!

What a wonderful experience. How we looked forward to it. What a joy to be united with loved ones, and friends.

It makes me think of how wonderful it will be, when by His grace, we stand at last on the sea of glass. I can almost hear the shout of victory! "Praise God! We're home at last."

But you know, dear ones, it is not time that stands between us and our Lord's return, it's a task. How true are the words, found in John 4:35 and Luke 10:2.

We have just returned from Ukraine. L'viv has an official history of 750 years. The first written evidence about L'viv dates back to the year 1256. L'viv is a city that has undergone numerous changes and adventures from Ukrainian to Polish, to Austrian, to German and Soviet rulers. Each of which changed the city's appearance, adjusting to their own needs. Each new governor would give the city a new name: L'viv, Leopoldis, Lwow, Lemberg, L'vov. However, the local population always treasured the history of their native town and, regardless of its turbulent past, L'viv managed to preserve its unique identity. Today L'viv is one of the most important political, economical and cultural centers of Ukraine and Central-Eastern Europe. In 1999 UNESCO proclaimed L'viv part of the world cultural heritage. About half of all the architectural sights in Ukraine are concentrated in L'viv.

However, we did not go there as tourists, we went there as evangelists, for only one purpose, that being to proclaim the message of the "Three Angels",

God's last warning message to the world, and to preach it with certainty and conviction, in the Power and the Spirit of Elijah, hoping and praying that through the foolishness of preaching we might save some.

Praise God! In that city so steeped in paganism, spiritualism and idolatry, God gave us as the first fruits twenty-five (25) wonderful, precious souls for the kingdom. Others indicated their desire in the near future. Right now the Pastors are doing follow-up with a Revelation Seminar with another date set for more baptisms in the future. Praise God! and please pray for our pastors and honest hearts in L'viv.

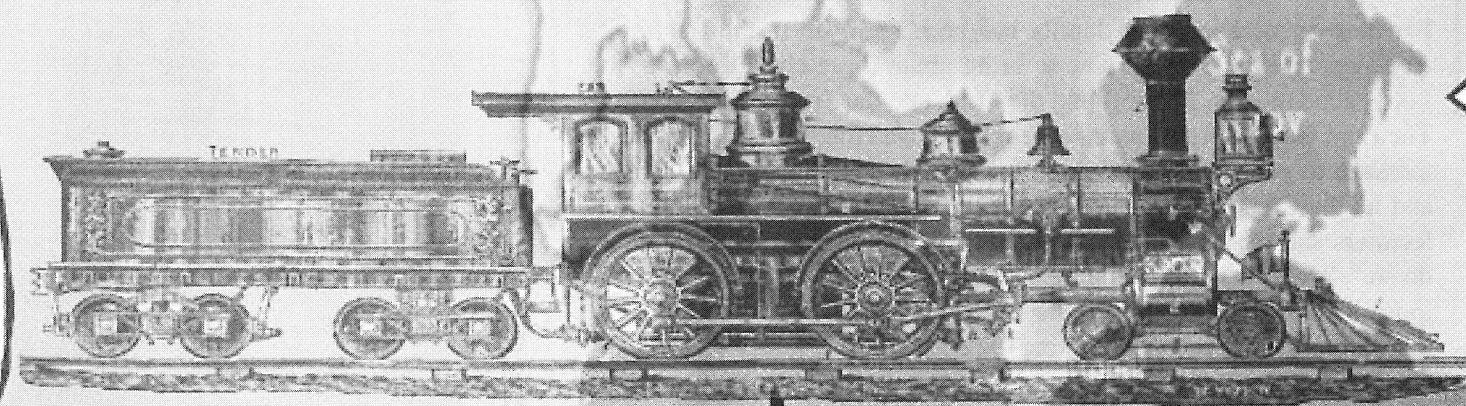

I personally thank you for your support and your prayers. May God bless you as you too do your part in finishing the work.

Remember we are all doing "count-down" to eternity. One day soon, by His grace let us be numbered with those on the sea of glass, shouting Victory, "Home at Last."

Sincerely,

Victor A. Gill

Dear Amazing Discoveries,

In the winter of 2005, I purchased the Amazing Discoveries Total Onslaught series. Praise the Lord! I want to thank you all for the information contained in Professor Veith's lectures. As we approach the last days of earth's history, it is time now to enter the reality zone. It is time to put doubt and denial behind us and behold the grand deception. The Total Onslaught series exposes the war that has been waged on Jesus Christ and a war on our freedom - freedom from the Luciferian plan. As you have read from my testimony, I know from first hand experience the workings of this grand deception. Not until the Amazing Discoveries series "Total Onslaught" came out, was there a single source able to thoroughly and reliably present these present truths so clearly.

We have allowed this to happen because we have been denied the knowledge of our own history, and so it seems that we are doomed to repeat it. But all that can be changed. The Bible...is the one supreme source of revelation of the meaning of life, the nature of God and need of man. It is the only guide of life, which leads the spirit in the way of peace and salvation. In the Total Onslaught series, it can be said that "knowledge is power". Knowledge by itself is not power but it holds the potential for power if we have the courage to use it as such, and therein lies our hope for the future. Praise the Lord for Walter Veith! If we act upon this knowledge, it is an opportunity for each one of us to avoid the last great deceptions. This series is an instrument in the Lord's hand by which others may come to know the Truth and the freedom of that Truth. The big question I ask those who have not seen this series is: "Is there anything we can do, especially at this time to bring the good news to others and expose Babylon so they won't be lost?" My answer is a resounding "YES!" Is anyone interested?

For many generations, my family has been involved in the Luciferian teachings and the over all plan to bring about these changes. Since the Lord called me out, I have found the Truth and the Truth has set me free. The Lord God Almighty wants a people to love Him, for He is Love. My message to your readers is "Open your heart, open the "free will" door and let the Creator into your life! Learn from the Amazing Discoveries lecturers and whenever you can share the knowledge (wisdom) of it all, do so." The Lord saw fit and opened the door for me to share my testimony and to be used by Him to increase knowledge. My prayers go to all the staff and those who are fighting the good fight.

In Christ Jesus,
Mark Regan Cleminson
