# the sword that Heals

BY JOHN TRIPLETT

When one thinks upon an instrument of healing, normally a sword does not pop into the mind. Normally, a sword is used for protection and for inflicting pain on another, but there is a certain sword that can also heal.

When I was 22 years old, my mind was very weak. Math to me was unfathomable, as were most of the other classes I took in college. I decided to drop out, because of the intense nature of the classes that I was taking. During this period in my life I lived the typical college life, the girls, the parties, the substances, and so forth. And because of the lifestyle that I lived, my mind grew proportionally weak. If I was in a large social setting and many people were talking at the same time, I could not concentrate on the person that was talking with me. I was always listening to all the other conversations going on around me. I found that the more I continued this "party lifestyle", the more my mind was weakened. There were times that I could not even recite my own phone number, even though I lived in the same location for 2 years.

I remember clearly thinking at that time, "Is this all there is to life?" At the time, I was perfectly unaware of who the Holy Spirit was, but nevertheless He was convicting me of the emptiness of this lifestyle. Finally,

through a series of miraculous events, God led me to the front door of the local SDA Church to attend an evangelistic series. Those Bible truths changed my life, and I was led to the One who is the truth, Jesus Christ.

After my Baptism, I really enjoyed reading the Bible. It was not easy for me, to say the least, but I experienced great joy and pleasure by doing so. I probably understood 10% of what I was reading, but I was compelled to press on. Later that year, when I started attending a Christian School to be trained for gospel work, a teacher told me, "John, you have to really work hard, because your mind is not good, you must have destroyed many brain cells." As you might imagine, this was not the most encouraging statement a young man would like to hear, but what he said was the truth. In a strange sort of way, this motivated me to study harder. But there was a problem. I did not know how to study the Bible, all I knew was how to read the Bible. I read the Bible through rather quickly, but I did not gain much from this exercise. But, God in His rich mercy led me to someone who taught me how to study the Bible, and to another who taught me how to memorize scripture.

When I started studying and memorizing scripture, it was as if the Word of God was healing my mind. I found as I spent time in

the Word of God, my mind was sharper, and I was able to understand other concepts more quickly and deeply.

I have had people say to me, "How long have you been a Christian? You know the Bible so well!" I just smile and say: "God is so good! If you only knew what my mind used to be like."

The pen of inspiration has declared some powerful statements about this healing sword. Consider this one with me in the book, "The Great Controversy" about John Wycliffe...

"The character of Wycliffe is a testimony to the educating, transforming power of the Holy Scriptures. It was the Bible that made him what he was. The effort to grasp the great truths of revelation imparts freshness and vigor to all the faculties. It expands the mind, sharpens the perceptions, and ripens the judgment. The study of the Bible will ennoble every thought, feeling, and aspiration

as no other study can. It gives stability of purpose, patience, courage, and fortitude; it refines the character and sanctifies the soul. An earnest, reverent study of the Scriptures, bringing the mind of the student in direct contact with the infinite mind, would give to the world men of stronger and more active intellect, as well as of nobler principle, than has ever resulted from the ablest training that human philosophy affords. "The entrance of Thy words," says the psalmist, "giveth light; it giveth understanding." Psalm 119:130. {GC 94.2}

Oh, what a book we have in the Bible! It truly is the sword that heals! It can transform us, but only if we spend time in it! Let us not neglect the study of the Bible, let us spend time with Jesus, as He communicates His will to us. As the day approaches, let us be found in the study of His Word. Let us be engulfed in His light and peace. May God help us all to this end!

# India

...once again

**T**ime has a way of creeping up on us if we are not careful. Thirty-nine days from now we leave once again for India. Our meetings begin Nov. 3 – 18th.

This year we will be staying at the Sri Vijaya Durga Hotel in Nalgonda. We will be working the villages from there. We arrive in Hyderabad on Nov. 1st, 12:05 am. Later in the morning we meet as groups with "Share-Him" (Global Evangelism) for orientation. Here we are assigned our villages for labour, which begin the next day, Nov. 3rd.

We have a rather unique experience this year to deal with in India, after our meetings in Nalgonda are over. For a number of months now I have been corresponding with a Medical Doctor/Pastor who has been quite taken up with Amazing Discoveries Web Site, and has emailed them for more information about the ministry. AD has turned over all correspondence with this man to me.

My correspondence with him has led to what appears to be a real friendship with a man that is hungry for truth, and a knowledge of Bible Prophecy as it relates to end time events. I have made it very clear to him that we are Seventh-day Adventist Christians, and that we keep all of God's commandments, including the 4th, which bids all of God's faithful to keep the 7th day as the "Sabbath of the Lord thy God". This has really peaked his interest, and he has invited me to come visit him in his city and speak to his people. The unfortunate part of this is, he lives in a different region where Christianity is not looked upon with favour. To quote his words to me he says:

*"My dear, if you want to visit Sangli in November I need to know the dates, for the reason for this is, coming to Sangli is different than going to South India. Where you are going right now, i.e Hyderabad is in Andhra Pradesh. The christian population is tremendous and there is no opposition over there. Any person can come and go. But coming to this place*

*is totally different. First of all, I have to take permission, and for that I require your passports, xerox copies. Then I will write an application to the authorities and get permission for this procedure. At the least, it takes approximately one month."*

Again he writes: *"My dear Victor A. Gill,*

*Warmest greetings to you in His sweet name. Many, many thanks for your valuable prayers and for your mail, noted the contents. When you send the copies of your passport and visas then I will be going to get permission. I dont know what is going to happen. For your kind information, I have declared 30 days fast, and we will continue to lift you all to the throne of grace. I believe in practical christianity. For that reason I do the medical camps in order to reach Christ."*

Again he writes on Sept. 8th: *"My dear Victor Gill, warmest greetings to you in His sweet name. Many, many thanks for your letter, noted the contents. Thanks to all dear brethren who are lifiting us to the throne of grace.*

*Today we had fasting in prayer from morning till now. Just now we finished the meetings. We all prayed for you and your ministry.*

*Today the government of m.p has tabled that if any one will accept Christ, they need to be one year in jail plus rs5,000. They want to pass this resolution. They may do it in the coming month. Please do pray for this. Yours in His grace, Bishop Dr. M.E.Treveli"*

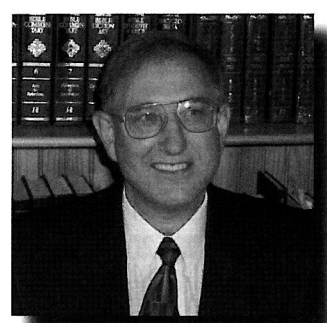

I share copies of these letters with you so you might understand the situation there, and that you will keep us in your prayers as we do front line ministry for Christ. Amazing Discoveries is very much interested in supporting this adventure. Your loyal support is very much appreciated. Sincerely,

Victor Gill

THE CURSE OF...

# Doubt

part three

BY WALTER VEITH

**H**ow are soldiers prepared for war? They must endure difficult training, and face all challenges head-on, so they may have a chance in a day of strife. Likewise, we are being trained as warriors in God's army. We are entering into the final stages of the battle between good and evil, and we are called upon to put on the whole armor of God. This is what enables us to fight valiantly for our High Commander, Jesus.

"Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand." Ephesians 6:11-13

"The work of conquering evil is to be done through faith. Those who go into the battlefield will find that they must put on the whole armor of God. The shield of faith will be their defense and will enable them to be more than conquerors. Nothing else will avail but this-faith in the Lord of hosts, and obedience to His orders. Vast armies furnished with every other facility will avail nothing in the last great conflict. Without faith, an angel host could not help. Living faith alone will make them invincible and enable them to stand in

the evil day, steadfast, unmovable, holding the beginning of their confidence firm unto the end....When the servants of Christ take the shield of faith for their defense, and the sword of the Spirit for war, there is danger in the enemy's camp." E. White

Oh that we could understand that God has not changed. We have! He is still our High Priest, but we have forgotten how to approach Him. We have forgotten how to pray the prayer of faith, because the world is choked with the brambles of doubt. No wonder the Lord has to permit trial and affliction, so that our need will expel our doubt. Then we may put forth fervent and effective prayers to God, and take hold of His divine power, that we may be ready to stand in the last great conflict. The curse of doubt must be transformed into a living faith, for without faith it is impossible to please Him.

"The signs of the end are fast fulfilling. The time of trouble is very near us now. We are to be brought into strait places in a way in which we have not been brought heretofore. The time of trouble is near, and we are to awake to a realization of this. We are to be sure that our feet are in the narrow path. We need an experience that we have not yet had, that we may have the assurance that the God of all grace is a very present help in time of need." --Letter 54, 1906, E. White

we have forgotten how to pray the prayer of faith...

## Keeping You Abreast...

We, at Amazing Discoveries, believe that the distribution of the "Total Onslaught" series by Dr. Veith into the languages of people around the world, can be a very important part in completing the command: "Go ye into all the world and preach the Gospel of Jesus Christ to every nation, kindred, tongue and people."

Earlier this year, in cooperation with David Gates and Gospel Ministries International, we started the translations of Dr. Veith's DVDs into the Spanish, Portuguese, and Tamali languages. Simultaneously we have also started to translate the series into the Polish and Russian languages, in the USA. The production of the Total Onslaught series into a new language is a major undertaking. First, the script must be translated. This includes a review process by additional translations, to verify that it actually reflects the sense of the original English version. After the script has been verified, it is converted into a production script - a tedious and time-consuming process that contains the narration, dialogue and visual elements of the program. Recording is next. Finding the right voices is sometimes very difficult, as the translator has to put his heart and soul into the imitation of the speaker, to reflect the heart of the matter. Timing can be a challenge. Some languages require more or fewer words than English does. This can complicate the recording session because some sentences may take more time to verbalize. The whole translation and audio recording project must be verified again, and moved to a post production phase where the voice tracks and edits into the program, replace the original English tracks.

The total cost of the voice production of the Total Onslaught series is expensive. We can spend easily \$ 50 - \$ 55,000 dollars for one language alone, with having to translate all 56 DVDs. We are impressed that Total Onslaught needs to be translated into as many languages as possible, and pray that the Holy Spirit will impress new sponsors to help us with this endeavour and finish this task soon. Time is of the essence!

Some of you who know about this translation project are already helping us with your donations, but we still need many more sponsors to finish this important task. Our work is proceeding ahead in faith, that the Lord will enlighten the earth with His everlasting Three Angel's message.

## News Flash...

**CHINA CHRISTIAN COUNCIL STILL SELLING OUT TO THE COMMUNISTS**  
(Friday Church News Notes, June 23, 2006, [www.wayoflife.org](http://www.wayoflife.org))

In April a leader in the China Christian Council (CCC) came to the defense of the communist restrictions upon the churches. CCC congregations are authorized by the government and accept the government's regulations and in turn receive the government's blessing, whereas the unauthorized "house churches" are persecuted. Cao Shengjie, president of the CCC, said that although the communist government does not allow preaching in public places this is not a problem because "we don't want to cause religious disharmony" ("China Church Official Says Believers Are Free to Worship Within Limits," *Christian Post*, April 19, 2006). She said they have plenty of "freedom" to spread their faith "as long as they do so privately." What kind of "freedom" is this? This is "freedom" only according to the communist dictionary. The Lord Jesus Christ has commanded that the churches preach the gospel to every single individual (Mark 16:15). Anything less than this is disobedience to our Heavenly Master, and when the government's laws interfere with God's laws the believer must follow in the footsteps of the Lord's apostles and say, "We ought to obey God rather than men" (Acts 5:19). The China Christian Council (also known as the Three Self Patriotic Movement) has been the toady of the communist government since its inception soon after Mao took control of China in 1949. It has always downplayed the persecution and also laid the blame on the house churches for refusing to accept the government license. In April, the CCC toured three American cities with an exhibit on the Bible in China and the claim that since their Amity Printing Press publishes Bibles the situation is fine. Former President Jimmy Carter and Billy Graham lent their names to this deceptive venture. They failed to mention that the CCC Bibles are not given to non-authorized churches and that the Chinese government puts pastors in jail for printing "unauthorized" Bibles and Christian literature. During the 1980s, the CCC implemented the "Ten Don'ts" for the churches. These included such things as forbidding young people under eighteen to attend worship services, forbidding evening gatherings, forbidding the reception of overseas Christians, and forbidding preaching from the book of Revelation. ■

# 9/11 was an 'inside job,' skeptics say

BY JILL SEARJEANT

NATIONAL POST. MONDAY, JUNE 26, 2006

LOS ANGELES • They wore T-shirts asking "What Really Happened?," snapped up DVDs titled *9/11: The Great Illusion*, and cheered as physicists, philosophers and terrorism experts decried the official version of the Sept. 11 attacks that shook America to its core.

Some 1,200 people gathered at a Los Angeles hotel on the weekend, for what organizers billed as the largest conference on the plethora of conspiracy theories that see the 2001 attacks on Washington and New York as, at best, official negligence, and at worst, an orchestrated U.S. attempt to incite world war.

"There are so many prominent people who are incredibly well respected who have stated that the evidence is overwhelming that 9/11 was an inside job," syndicated radio talk show host Alex Jones told a news conference.

"There are hundreds of smoking guns that people need to be made aware of," said Mr. Jones, calling for the impeachment of President George W. Bush and charging that mainstream media had been slow to cover the growing movement of 9/11 skeptics.

The "9/11 and the Neo-Con Agenda" conference comprised two days of seminars, video presentations and talks by groups including "Scholars for 9/11 Truth," [www.infowars.com](http://www.infowars.com) and an appearance by actor Charlie Sheen.

Most are convinced the U.S. military command "stood down" on the day of the attack, that the hijackers were trained at American military bases, and that the World Trade Center towers collapsed because of a series of controlled explosions set before they were hit by two hijacked planes.

Suggested motives range from expected benefits for U.S. arms and oil conglomerates to revolutionary plans for a new world order headed by the United States.

Another of the theories involved the fate of United Airlines flight 93, which crashed in Pennsylvania. The passengers and crew have been regarded as heroes for thwarting the terrorists' plans, but Scholars for 9/11 Truth claim the plane was likely shot down. They say debris was scattered over too large an area to be merely from a crash.

The purpose of 9/11, they say on their Web site, was to help the U.S. government deceive and manipulate Ameri-

cans into supporting new policies, both at home and abroad. For Scholars for 9/11 Truth, the events acted as "another Pearl Harbor."

The theories, derided by critics as wild and far-fetched, have mostly been confined to the Internet, talk radio and the alternative press.

But an August, 2004, Zogby opinion poll revealed 49% of New York City residents believed U.S. leaders knew in advance of the attacks and failed to act.

The official 9/11 Commission, set up in 2002, cited government intelligence lapses in the failure to prevent the attacks by al-Qaeda that killed about 3,000 people.

A 10,000-page investigation by the National Institute of Standards and Technology held that jet-fuel fires weakened the structure of the Twin Towers and led to their collapse.

Mr. Sheen, star of the TV sitcom *Two and a Half Men*, provoked a media storm in March by calling in interviews for an independent investigation.

"It seems to me like 19 amateurs with boxcutters taking over four commercial airliners and hitting 75% of their targets, that feels like a conspiracy theory. It raises a lot of questions," Mr. Sheen said in an interview in March. "A couple of years ago, it was severely unpopular to talk about any of this. It feels like from the people I talk to, and the research I've done and around my circles, it feels like the worm is turning."

Mr. Sheen "brings the movement some legitimacy. He gives it a face," said a Los Angeles student attending the conference, who gave his name as Rico.

"Rational, well-educated people are starting to take a look at all of this and are seeing there are some pretty bad things happening," Rico added.

Webster Tarpley, author of *911 Synthetic Terror: Made in USA*, said the Sept. 11 attacks were an example of "state-sponsored, false-flag terrorism" designed by rogue CIA elements. He said Washington was "gripped by war psychosis" and had used terror as a pretext to turn the United States into a police state.

# SHOULD SEVENTH-DAY ADVENTISTS BE *Freemasons?*

BY WILLIAM JOSIAH SUTTON

Back in 1983, I published my second volume entitled *The New Age Movement and The Illuminati* 666, and this little pamphlet entitled *Should Seventh-Day Adventists Be Freemasons* was written back in the early 1990s, and stuck on the door of an Adventist Church after its head elder, who was a **Freemason**, used his influences with the pastor to stop my Church Board-approved scheduled meeting in that church. The cover displayed this **Masonic Seal** seen above that Grand Master of Freemasonry, **Benjamin Franklin**, and **Thomas Jefferson** helped design. I have, since then, updated this pamphlet for the benefit of the **2006 serious-minded Adventists** who are crying and sighing for the abominations that are being committed in the church. Although I was the first Adventist writer to expose how the **New Age** and the **New World Order** Movements do, indeed, have cross-links with the original **Secret Society** of the **Bavarian Illuminati**, I was not the first Adventist author to write about the Occult Revolutionary Movement of the **Illuminati**. Believe it or not, **Ellen White** and **Uriah Smith** were the first! You can find what these two early Adventist authors wrote about **Illuminism** on the very same page of their multi-million best-selling books, *The Great Controversy*, p. 284, and *Daniel and The Revelation*, pp. 284, 285. While **Sister White** called the **German-based Illuminati** by their French name, the "**Jacobins**," **Uriah Smith** called this mingling of **Atheistic** and **Occult** powers "**Illuminism**." Some Adventists may be very surprised to discover that **Mozart** was also a **Master Mason** who joined **Freemasonry**, according to *The Pennsylvania Freemason August 2006 Newsletter*, on December 17, 1784. Mozart's Opera, *The Magic Flute*, is full of allusions and symbolism relating to Freemasonry. **Mozart** mystically revealed in *The Magic Flute* what the Adepts (High Priests) of **Freemasonry** were secretly up to in his heyday. Masonic history shows that **Mozart** attended meetings held at the Paris Lodge of Nine Muses (Sisters). It was at this Paris Lodge of Freemasonry that the plans to overthrow the power of the Papacy via the French Revolution were first hatched. It was at the Paris Lodge of Nine Muses that **Grand Master Benjamin Franklin** handed the Masonic Apron to the well-known anti-Christ **Voltaire**. (See the Masonic Website <http://mill-valley.freemasonry.biz/amermerc.htm>) There is not enough room to show the reader all the documented proof that I have in my files about the **French Freemasons**, who were **cells** of the **German Illuminati**, and how these French Revolutionists made war on **God's Two Witnesses** (the Bible) during the **French Revolution**; (Compare Revelation 11:1-8 with *The Great Controversy*, pp. 265-270) but there is enough space to show why **Sister White** warned that we are not to have any connection with the **Freemasons** or with any other **Secret Society**. In the book, *Ancient Prophecies About Mysticism, Hollywood, and The Music Industry* (1999), this writer exposed how many of our most well-known **ENTERTAINERS** from the French Revolution to our present day were linked with this **Masonic-based World Revolution** to bring about a **Novus Ordo Seclorum** (New Order of the Ages) and also how **Islam** fits in with the scheme of things.

According to *The American Heritage Dictionary*, 1969, p. 656, the term "**ILLUMINATI**" has been identified with **JACOBINISM** and the 18th-Century **ENLIGHTENMENT MOVEMENT** and **FREEMASONRY**.

This investigative journalist first became aware of the **Secret Society** of the **Illuminati** back in the year **1971** by listening to a tape produced by a former member of the Order of the Illuminati. His name was **Myron Fagan**. Myron was a **Hollywood producer** and **director** for decades before he died in the late 60s. Back in the 60s, Myron exposed the whole rise and evolution of the secret **underground movement of the Illuminati** up until his death. At this time, I had no idea that both **Ellen White** and **Uriah Smith** had also written about them back in their day. I was very excited to discover later that these two well-known Adventist authors wrote about them, for there had arisen in the S.D.A. Church some who claimed that the whole **Illuminati Conspiracy** was all a hoax, as some today are proclaiming about the **Merovingian Conspiracy** found in Dan Brown's *THE DA VINCI CODE*. For centuries, scholars from both Christianity and Spiritualism (Mysticism) have been puzzled about the mystery behind the **Holy Grail** and this counterfeit **European Royal Merovingian Dynasty** that supposedly derived from **Mary Magdalene**, who supposedly married **Jesus**. Although there are not five words of truth in any of this, the truth is there are **facts** laying behind the **fiction** about the **Merovingian Conspiracy** found in Dan Brown's popular novel today that will help the serious-minded and learned Adventists see how this **Spirit of Antichrist** is really coming at those of us who are living in the **21<sup>st</sup> Century** and how **Freemasonry ties in!** *THE DA VINCI CODE* helps prove to those who still believe that **JESUS is the Son of God**, that this Masonic-based **Secret Society** of the **Illuminati** continued as an **Occult underground movement** under a barrage of other names up until this very day. As pointed out in Book I of *In Gog They Trust?*, the **Illuminati threat** is, indeed, linked with this counterfeit **Royal Merovingian Dynasty of the House of David** that Brown's *THE DA VINCI CODE* tries to convince his gullible readers derived from the **Royal Bloodline of Jesus Christ**. In *Ancient Prophecies About Mysticism, Hollywood, and The Music Industry* (1999), this writer exposes how many of these **Illuminists today** are connected with the **Hollywood Crowd**, as was the **Comedian Monvel** that Uriah Smith pointed out was an 18<sup>th</sup>-Century **Priest of Illuminism**. Please read below what Ellen wrote about these **Secret Societies**.

"A power from beneath is working to bring about the last great scenes in the drama - SATAN COMING AS CHRIST, and working with all deceivableness of unrighteousness in those who are binding themselves together in SECRET SOCIETIES."

Testimonies, Volume 8, p. 28

"Those who stand under the bloodstained banner of Prince Immanuel CANNOT BE UNITED with the FREE MASONS or with any SECRET organization. The SEAL OF THE LIVING GOD will not be placed upon anyone who maintains such a connection after the light of truth has shone upon his pathway."

2 Selected Messages, p. 140

Adventists, notice from *Testimonies*, Vol. 8, p. 28, Sister White warns that **Satan** will personate **Christ** and that this great deceiver is working through **SECRET SOCIETIES** to help bring about his last crowning deception. The international **Secret Society** of **Freemasonry**, when convenient to do so, sometimes pretends to be a Christian organization. The truth is **Freemasonry** is the oldest and largest **Secret Society** of **Spiritualism** on Planet Earth. This writer has been investigating Freemasonry since 1971, and I show my readers overwhelming evidence that Freemasonry is nothing less than a spiritual basket that has collected

all the various versions of **Mysticism** and brought them under one roof! However, most Adventists today are still in the **dark** about how the High Priests of **Freemasonry** have been secretly working since the third quarter of the 18<sup>th</sup> Century, behind the scenes, to bring both the **Roman Catholics** and the **Protestants** under the banner of their Secret International Brotherhood. As I pointed out 23 years ago in *The New Age Movement and The Illuminati 666*, it is from **Freemasonry** that the present Socialist threat of the **New Age and the New World Order Movements** derived. Both the **Rothschild** and **Rockefeller Families** were/are connected with the international network of Freemasonry. These two Banking Families were behind the founding of the **United Nations** and also the founding of modern-day Israel. The present globalization of the World via the **United Nations** through the efforts of the **Council on Foreign Relations** (CFR) and its offshoots, like the **Bilderberg Group** and the **European Union**, also link together with this age-old Gnostic-based Merovingian Plan to eventually bring the whole world again under the various powers of **modern-day Spiritualism**. As we shall see, **Freemasonry** traces to the year **A.D. 1118** when nine medieval **Merovingian Knights** founded the Secret Society of the **Knights Templars** within the **City of Jerusalem**. The nine founders of the Templars were an early sect of **Gnosticism** who also falsely proclaimed that their **Royal Merovingian Dynasty**, which even traces to **Queen Elizabeth II**, supposedly derived out of **Merovee**, the son of **Jesus and Mary Magdalene** on which the popular book, **THE DA VINCI CODE**, is based. According to Dan Brown, this marriage between Jesus and Mary Magdalene is the Catholic Church's best-kept secret, and their leaders have killed millions down through the centuries in an effort to keep this all hidden from the citizens of this world. (See a Catholic response by looking at the following website: <http://www.voanews.com/english/archive/2006-05/2006-05-22-voa20.cfm?CFID=49161032&CFTOKEN=45248811>)

Although **Pierre Plantard's** (1920-2000) Secret Society of the **Priory of Zion** and his connection with the Merovingian Royal Bloodline of the House of David, from which Dan Brown's best-selling book drew much of its historical data, has recently been proven to have been a hoax, nevertheless, this secret ongoing **Merovingian Medieval Plan** to infiltrate the Papacy's power structure in an effort to eventually **replace the Catholic Pope** with a **Merovingian King-Priest** (Adept) is no hoax. What was discovered to be a hoax in Dan Brown's **THE DA VINCI CODE** (which even **CBS' 60 Minutes** exposed on April 4, 2006) was **Pierre Plantard's** fraudulent claim that he himself was of this **Frankish Royal Merovingian Bloodline of the House of David** that supposedly derived out of **Merovee**, the son of Jesus Christ. (See the website <http://www.cbsnews.com/stories/2006/04/27/60minutes/main1552009.shtml>) However, what **CBS' 60 Minutes** failed to do was prove to its viewers that this Gnostic-based **Merovingian Conspiracy** does not exist and that their age-old efforts to take over the **Catholic Church** and use it as their **own vehicle** to establish their **headquarters in Israel** and eventually bring the whole world under the various powers of **Mysticism** (Spiritualism) is a fact or just a piece of fiction. Nonetheless, Adventists should know that this **counterfeit Royal Merovingian European Bloodline of the House of David** did exist because it was out of this **Merovingian Dynasty** of these **long-haired Grail KINGS** that the Frankish King **Clovis I** derived. Every learned Adventist knows that it was **William Miller** and his **Millerites** of the **1844 Movement**, which included **Ellen White**, who showed it was this same **Clovis I** who united the rivaling Frankish **kings** of Europe under the banner of the **Papacy** by the year **A.D. 508**. It was **William Miller** who pointed out that this well-known historical event in history had fulfilled the prophecy of Daniel 12:11,12 which warned about the "**Abomination that maketh desolate SET UP.**" **William Miller** showed from historical facts that it was this Frankish **King Clovis I** who first **SET UP** the **PAPACY** to become a religious dictatorship in Europe.

Meanwhile, in the year **A.D. 632**, the Muslims swarmed out of Arabia like bands of desert locusts conquering the Holy Lands, northern Africa, Egypt, Syria, Persia, and Spain. Before the Muslim invasion, these areas were the most populated lands of **Papal Christianity**. It was in **A.D. 638** that the Muslims first took the City of Jerusalem, which was considered among Roman Catholics to be the center of the religion of Christianity. It was the place where Jesus Christ lived, died, and was resurrected and where their **Church of the Holy Sepulcher** was built in A.D. 330. In **A.D. 1095**, **Pope Urban II** called all Catholics to start another Holy War against the Muslims in an effort to recapture Jerusalem. It is here again that this **counterfeit Royal**

**Bloodline of the Merovingian Dynasty** surfaces. Further study will show that the Merovingian Conspiracy is plainly revealed from history to have existed and is still alive and well today. History shows us that it was a mystic, who was a Merovingian Knight, named **Godfroi** (Godfrey) **de Bouillon** (1060-1100) who was one of the main leaders of the **First Crusade** to recapture Jerusalem in the year **1099**. After he and his **Merovingian Knights** put to death all the men, women, and children in Jerusalem, **Pope Urban II**, who inspired it, went to his grave 14 days later. **Godfroi**, who put to death all the inhabitants of Jerusalem, was soon to follow Urban II to be placed in his grave. Amazingly, this murderous despot **Godfroi de Bouillon** was elected to become the first **KING** of the **Merovingian Dynasty** to sit on the Throne of David in Jerusalem. According to tradition, **Godfroi** was said to have been a direct descendant of the Royal Bloodline of Jesus Christ and, therefore, the rightful candidate to be appointed **KING** of Jerusalem. However, **Godfroi** mysteriously declined the kingship and suddenly he was put in his grave in 1100. Soon afterwards, his younger brother, **Baldwin I**, became the first of a list of **Merovingian KINGS** who ruled Jerusalem until the year **1187** after Saladin recaptured Jerusalem once again for the Muslims. (See the website [http://en.wikipedia.org/wiki/Kings\\_of\\_Jerusalem](http://en.wikipedia.org/wiki/Kings_of_Jerusalem))

Again, it is eye-opening to discover how this **Merovingian Conspiracy** and the history behind the **Crusades** against the Muslims are being portrayed in the movies by the **Hollywood Crowd** of our day. A perfect example of this is seen in the 2005 movie entitled *The Kingdom of Heaven*, which distorts some of the history about the last Merovingian king of Jerusalem whom Saladin overthrew in the year **1187**. Another movie that has **Merovingian links** is Mel Gibson's 1995 Academy Award winner, **BRAVEHEART**. Mel Gibson played **Sir William Wallace**, the Catholic Scottish Patriot; and he and **Robert the Bruce** (1274-1329), the future Merovingian **KING** of Scotland, often found themselves on opposite sides. Mel Gibson's **BRAVEHEART** is centered around **William Wallace**, rather than **Robert the Bruce**, shortly before Wallace was captured in 1305 by his English enemies, who quartered his body. **BRAVEHEART** is a winner of five Academy Awards. It is loaded with gross scenes of death and the false belief that the dead communicate with the living, which forms the basis of all Occult doctrines. Another Hollywood **BLOCKBUSTER** that has sprinkled Merovingian propaganda is seen in *The Matrix* trilogies. Since 1999, the **Matrix movies** now have a massive **cult** following. It was startling to me when we rented the DVD of *Matrix Unloaded* to see how much modern-day **Spiritualism** is being promoted by the **Hollywood Crowd**. This spin-off of *Star Wars* promoted Biblical terms and blended Hindu doctrines, Greek Mythology, and Martial Arts to capture the imaginations of its viewers. Amazingly, one of the leading characters of this popular movie was a Frenchman named **Merovingian**. Merovingian and his companions are against **Morpheus**, a space age Shaman, and the **messiah-like character** called **Neo** and his girlfriend named **Trinity**, whose headquarters are called **Zion** and whose spaceship is called **Nebuchadnezzar**. In the movie, Morpheus awakens **Neo** to the fact that he is the messiah. **Neo** meets Merovingian's wife named **Persephone** who, in Greek Mythology, is the goddess of the underworld. The actress who portrayed **Persephone** was **Monica Bellucci** who, in real life, is an infamous European Porno Queen whom **Mel Gibson** used in his movie, *The Passion of The Christ*, to play **Mary Magdalene**.

About 69 years before Saladin recaptured Jerusalem for the Muslims in 1187, **nine Merovingian Knights** founded the **SECRET SOCIETY** of the Knights Templars and ended up joining Robert the Bruce in Scotland to aid him against his struggle with the English. In Vol. 1, 1886-1888, *Ars Quatuor Coronatorum* of the London Masonic Lodge, which called themselves the Lodge Quatuor Coronati No. 2076, tells us on pp. 108, 109 that the Templars had both Occult and Gnostic connections, which were anti-Christian in doctrine, and that they were diligent students of **Alchemy** and **Astrology**. This same Masonic volume, which this Christian author has in his possession, goes on to inform their English Masons that the **Knights Templars** actually owe their salvation to this same **Robert the Bruce of Scotland**. For two centuries, the **Templars** managed to hide their Gnostic beliefs from the Papacy by **oaths of secrecy**. However, before they were found out, the **Templars** had been the most powerful **Secret Society** of the Catholic Church until the Papacy finally discovered what the **Templars'** real plans and purposes were. In the meantime, they had among them expert **CRAFTSMEN** and **STONECUTTERS**. The Templars secretly attributed their advanced knowledge of **Geometry** and **Architecture** to the Babylonian god **Oannes**, whom the pagan Phoenicians worshipped as **Dagon**. In Mesopotamian

Mythology, **Oannes** was the **Great Architect of the Universe**, and he was honored annually on **June 21st** during the **Festival of Mid-Summer Eve**. The **Templars** hid their **pagan** beliefs from the eyes of the Catholic Clergy by pretending to be disciples of **John the Baptist** and/or **John the Apostle**. They simply added the letter "I" to **Oannes** (Ioannes, which is the Latin name for **John**). The **Festival of Mid-Summer Eve**, which was observed for centuries by the **pagan Druids** on **June 21st**, is now observed on **June 24th** by Roman Catholics as the **Festival of St. John**. The Gnostic **Secret Society** of the **Priory of Zion**, out of which the **Templars** were born, became the **Order of St. John**. In Book II of *In Gog They Trust?*, this writer shows with plenty of documented evidence that the origin of **Oannes**, the **god of LEARNING**, traces back to the first **ARCHITECT** of the Land of Shinar, who was **Nimrod**. This great rebel against **GOD** was deified at his death as the **Sun-god** who, in his myth, returned to earth as **Oannes**. Amazingly, the **Freemasons** of our day claim **Nimrod** as the **first Grand Master of their LODGES**. (See *The History of Freemasonry*, Mackey, p. 63) It is not by chance that the Masons today use the **COMPASS** and the **SQUARE** as symbols of their **GUILD**.

The "G" seen in the middle of the **COMPASS** and **SQUARE** is symbolizing the **G. A. O. T. U.** a.k.a. **the Great Architect of the Universe**! Both Catholic and Masonic sources reveal that it was the **architects**, **carpenters**, and **stonecutters** of the **Knights Templars** who built these Gothic-looking Catholic cathedrals, castles, and monasteries which reek with signs and symbols of Astrology. It is also a historical fact that these Gnostic-believing **Templars** were controlling **world commerce** through their **guilds**, **merchant shipping businesses**, and their **international banking**. Even the **CROWN** heads of Europe were deeply indebted to the **Templars**. While in the height of their power, **Pope Clement V** and **King Philip IV** of France accused the **Knights Templars** of heresy and being secret worshippers of the **Druid god PAN**, whose grotesque **idol** to the Frankish witches was known in Medieval Times as the **BAPHOMET**. On Friday the 13th of October 1307, **Jacques de Molay**, their Grand Master, and many of his brethren were arrested in Paris and were burnt at the stake. On page 257 of Albert G. Mackey's *The History of Freemasonry* (1996 edition), the former Grand High Priest of Masonry wrote that **Jacques de Molay** was publicly burnt on the stake in front of the Cathedral of Notre Dame in Paris. It was at this time that the bulk of the survivors of the **Templars** fled to **Robert the Bruce** of Scotland, who was also a direct descendant of the pagan **Merovingian Dynasty** and who falsely claimed to be from the Royal Bloodline of Jesus Christ. While in Scotland, to help hide their identity, the **Templars** changed their name from the **Knights Templars** to the **Scottish Rite**. The Scottish Rite continued in Scotland as an underground Occult Revolutionary Movement until **James IV** of the House of Stuart of Scotland appeared in history. It was **James IV** of Scotland who became **King James I of England** after he united both rivaling countries under one roof. It was very eye-opening, indeed, for this investigative journalist to discover from the London Masonic Lodge No. 2076's *Ars Quatuor Coronatorum*, Vol. I, pp. 108, 109, which was written between the years 1886-1888, how **King James** was also connected with this age-old **Merovingian Plot** and how **James I** was a very important link in **Freemasonry**. Again, the London Lodge Quatuor Coronati, No. 2076 went on to state in their *Ars Quatuor Coronatorum* the following: "We see that the term **Knights of the Temple** and **St. John** was in use in **Scotland**, and it is quite in the bounds of possibility that when **James** came to England in 1603, he brought with him those who had **secretly continued the Order**." **Albert Pike**, who was a Grand Commander of the Scottish Rite of Freemasonry, revealed to his 33rd brethren why their forefathers, the **Knights Templars**, were found out and arrested and put to the flames by the Papacy in **1307-14**. These

facts are found on pages 814-824 of Pike's book, *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry*, of which this writer also has his own copy.

On page 815, Pike says: "An enemy of the Templars shall tell us the secret of this Papal hostility against an Order that has existed for centuries in despite of its anathemas, and has its Sanctuaries and Asyla even in Rome." Pike goes on to show on pp. 815, 816 of his book how the **Illuminati** are connected with the **Gnostics** and the **Templars**: "Its realization was also the dream of the dissident sects of Gnostics or Illuminati who pretended to connect their faith with the primitive tradition of the Christianity of St. John." "... their secret object was the re-building of the Temple of Solomon on the model prophesied by Ezekiel." Reader, is there not in our day among Protestant Americans an effort to re-establish the **State of Israel** and to **rebuild Solomon's Temple**? Are there not well-known T.V. evangelists begging for money so that they can pay for airline tickets for **Russian** and **European Jews** to immigrate to **modern-day Israel** in the belief that they are helping to bring about Bible prophecy? As pointed out in my book, *The Real Truth About UFOs and The New World Order Connection* (1997), there is, indeed, an ongoing plan to eventually make the **Land of Israel** the **SEAT of this coming Masonic-based New World Order scheme**. However, learned Adventists should be aware that in **A.D. 34** the **70 weeks'** (490 years') prophecy of Daniel 9:24-27 came to its fulfillment, and this was also the very year that the Judeo-Christian God rejected the Jews as His **chosen people**. Where in the **Word of God** is there any promise that the **Jews of the flesh** would again be restored as a **Jewish State in Israel** or that **Jesus** would set up the Kingdom of God in this present polluted world? Adventists, it will be **Lucifer**, not **Jesus**, who shall eventually move his **SEAT** at the **Vatican** to **Israel**. In Book I of *In Gog They Trust*, this writer shows just a glimpse of how true this is; however, in Book II of *In Gog They Trust?*, I show overwhelming proof! The founding of the **State of modern-day Israel** by the **Rothschild** and **Rockefeller Families** via the **United Nations** is **LUCIFER'S** effort to deceive both **Catholics** and **Protestants** into uniting with the **people of modern-day Spiritualism** into a **Three-fold Union** and a coming unlawful **World Federation** that **Jesus** called **Babylon the Great**! This writer, who, 36 years ago, began his own investigation of this Masonic-based **New Age** and **New World Order Plot** to bring the whole world again under the various powers of **Mysticism**, proves in his seven volumes that this present effort to bring both Papal and Biblical Christianity under the various powers of Spiritualism started with the Gnostic-based sect of the **Merovingian Dynasty**! It was secretly carried out by the **Knights Templars** and their 18th-Century successors, the **Freemasons**. Doubt it not! Further proof of this is found tucked away in *Morals and Dogma*, written by **Albert Pike**, who became the leader of the underground movement of the **Illuminati** after Grand Master of Freemasonry, **Giuseppe Mazzini**, of Italy died in 1871. It was the Gnostic/Merovingian/Templars' ultimate goal to become the **Masters of the World** and reign from **Jerusalem**. On page 816 of *Morals and Dogma*, **Albert Pike** shows how an enemy of the Freemasons exposed the real intentions of the Templars: "This re-building, formally predicted by the Judaizing Mystics of the earlier ages, had become the secret dream of the Patriarchs of the Orient. The Temple of Solomon, re-built and consecrated to the Catholic worship would become, in effect, the Metropolis of the Universe. ..." "This name, Freres Macons in the French, adopted by the way of secret reference to the Builders of the Second Temple, was corrupted in English into Free-masons. ..."

This **Merovingian Plot** that hoped some day to replace the Catholic Pope with its own King-Priest became known in **1717** in England as the **Scottish Rite of Freemasonry**.

## Spiritual Lessons from the Physical Body

## WHEN SIN HAS NOTHING TO FEED UPON

**W**hen it comes to sickness, there is a question which causes the principle of truth to open up before our eyes. Do flies cause garbage or does garbage cause flies? Of course the answer is that garbage causes flies. Herein is contained a deep and profound principle underlying both the disease process, and the hold which sin has upon us.

Let me illustrate how this principle relates to the disease process. Bacteria and viruses are opportunists. They search for food to sustain themselves just as we do. The key is that they only feed on things that are dead or dying. They do not feed upon healthy substances such as healthy cells in the body, but they will have a feeding frenzy if there are sick or diseased cells in the body.

Most of us have grown up with the theory that bacteria cause disease. We are taught that anyone can catch a cold if a bacteria or a virus just happens to catch us off guard. But this is not so. Yes, a bacteria can find its way down the throat of a healthy person but when it has no reason to be in the body because there is nothing to feed upon, it is promptly destroyed or expelled by the immune system. But if you are an individual who has the wrong diet and lifestyle, you have created a wonderful restaurant for infectious disease to eat at.

God never designed us to be feeding stations for bad bacteria, but when we disobey the health laws that God has set up for our benefit, we create a place where those laws work against us.

On the spiritual side, when we hold onto thoughts that we should not be holding onto, we create a toxic, spiritual environment conducive to the presence of sin. It is feeding your mind with substances that will give evil something to feed upon.

Just like the bad bacteria, Satan cannot just enter a life and wreak havoc with that life unless he has a reason to be there. It is the wrong kind of thinking and acting that creates the perfect habitat for the enemy of Christ to dwell in. We prepare ourselves for this soul destroying guest through the inappropriate use of our five senses. Our senses are the only avenues through which Satan can destroy us. Interestingly enough, our five senses are also what God uses to seal us for eternity with Him.

Our five senses are very much involved in our food choices as well. If it smells good we want to try it; if it tastes good we want more of it; if it has a wonderful chewy texture we desire it; if we see that it looks tempting we get hungry for it; if it has a nice sizzle on the pan we become interested in it. But our five senses should never be consulted without input from our marvelous, God-given thinking apparatus. We need to ask; if I eat this, what kind of flesh will it make; how will it affect my health; will it make healthy cells sick, or make sick cells healthy? Will I be creating an environment for bad bacteria to live in, or will they find me inappropriate for their dining habits?

...our five senses are very much involved in our food choices.

It is the same principle for our spiritual life. What kind of a mind will I develop by reading this book or article; what kind of thoughts will enter my mind if I watch this movie; what kind of emotions will be stirred by listening to this particular music; what will happen to my cognitive thought processes by eating stimulating foods and beverages?

When we look at the whole picture, our choices, both mental and physical, will seal us for life or death. Certain foods not only create diseased cells but they also create diseased brains, because if the body is sick so is the brain, (they cannot be separated from each other without death) and this illustrates the fact that diet is a salvational issue. If we restrict our brain's function through what we have eaten, we have restricted our ability to comprehend spiritual matters.

Jesus said, "The prince of this world cometh and hath nothing in me." There was no sin in Christ's life that Satan could use to gain access to Him. There was nothing for Satan to feed upon. This is the condition that Christ's followers are to be in when He returns. Their sins have gone beforehand and have been blotted out, and cannot be brought to mind by themselves or the Devil.

When we treat our bodies right by following the laws of health, our bodies are cleansed from disease and when bad bacteria come to us, they have nothing to feed upon! God's original plan for our diet is the best for keeping our bodies in a sinless state. The apostle Paul said "I beseech you brethren by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service."

Enjoy the five wonderful senses that God has given us, but do not detach them from the brain before use; otherwise, sin will have something to feed upon.

### DID YOU KNOW

Steven Pratt M.D. author of Super Foods RX says "Pumpkin is one of the most nutritionally valuable foods known to man, it is high in fiber and low in calories...the nutrients in pumpkin are really world class."

Pumpkin is an extremely good source of vitamin A Carotenoids, both Beta Carotenes and Alpha Carotenes. Beta Carotene is a well researched and powerful antioxidant. Alpha Carotene may also slow down the aging process.

Pumpkin is also a good source of vitamin C. Vitamins A and C are essential for maintaining good eyesight, and a healthy immune system, among other functions. Pumpkin is also high in potassium, manganese, copper and riboflavin. It also contains considerable amounts of magnesium, phosphorus, iron, folate, vitamins E and B6, niacin, thiamin and pantothenic acid.

As Dr. Pratt stated, pumpkin really is a nutritional superstar! But remember that what you do with pumpkin will affect its nutrient content.

## THE EPIDEMIC

## Disease

by Connie Kiefiuk

Have you ever walked down the corridor of a rehabilitation ward in a hospital and noticed all the people in wheelchairs who are minus one leg, or two legs, or perhaps a half a leg? Or, have you walked down a city street and almost bumped into someone in a motorized wheelchair with the same condition? Such has been my experience, and further enquiry into the matter revealed that these amputations were the result of a very serious disease called Diabetes. This picture is somewhat different than one seen just 10 years ago. Why the alarming increase?

Type 2 Diabetes is on a very scary uphill climb and has actually become an epidemic, especially in affluent societies. While formerly known to be a disease of middle age, and formerly called "adult-onset diabetes", we now see it being diagnosed in children. Hence this type of diabetes is now simply called Type 2. What is the cause?

A biochemist who once worked as a food scientist and biochemist for two of North America's largest corporations, was told to alter foods so that the consumer would be left unsatisfied and therefore in need of continuing to eat more and more. Have you ever had just one Oreo cookie? What you should know is that the producing company spent millions of dollars developing a formula that contains 23 different appetite stimulants and 11 artificial colors to make certain you "can't eat just one". When the naturally occurring fiber in whole food is removed and appetite stimulants are added, people almost automatically overeat. Some of the commonly known appetite stimulants are: sugar, aspartame (Nutra-Sweet), MSG, and fat (especially deep-fried). Most

people do not realize that appetite stimulants in foods are covered under the category of "artificial and natural flavorings".

Foods found on shelves of stores should sustain the good health of the consumer – only "live" foods should be consumed. The heart of the matter, however, is that high profits can only be made with long shelf life foods. Children's "cereals" have an indefinite shelf life. So do potato chips, soft drinks, pancake mixes, etc. Companies are more concerned about the shelf life of their products than about the shelf life of those who eat those products. Children, not to mention most grown-ups, are very vulnerable to all the trickery of advertising and are thus beckoned into indulging in empty calories that do not provide proper nourishment, only a wider girth.

Type 2 Diabetes is not the result of a lack of insulin. It is the product of diet and lifestyle choices that cause the body to become resistant to insulin. As North America continues to gain weight, its rate of diabetes is spiraling out of control and therefore diabetes is often associated with obesity. Type 2 diabetics can produce insulin, but the insulin doesn't do its job. This is called insulin resistance, which means that once the insulin starts "giving orders", the body doesn't pay attention. The insulin is rendered ineffective, and the blood sugar is not metabolized properly.

Researchers have found that high-fat (animal fat), low-carbohydrate diets, and the consumption of animal protein are associated with the onset of Type 2 diabetes. In dietary studies involving Seventh-day Adventist lacto-ovo vegetarians, as compared to

Adventist "moderate" meat eaters, the vegetarians had about one-half the rate of diabetes and almost half the rate of obesity. The rate of diabetes decreased even more dramatically when the studies compared Adventist "vegan" vegetarians as compared to the first two groups. These and many other findings show that both across and within populations, high-fiber, whole, plant-based foods protect against diabetes, and high-fat, high-protein, animal-based foods promote diabetes.

What are the complications of diabetes?....Heart Disease, Stroke, High Blood Pressure, Blindness, Kidney Disease, Nervous System Disease, Amputation, Dental Disease, Pregnancy Complications, Impotence, Increased Susceptibility to Other Illnesses and Death!

Diabetes can be prevented and it can also be beaten. A low-fat, plant-based diet and exercise can reverse diabetes, and allow persons to discontinue their insulin medication. This has been proven time and time again. It's time to eat "foods-as-grown", prepared with as little fat, sugar and salt as possible.

The Master Designer knows what is best for us – He made the food for us which is different from what corporations do with food. Let us not have our taste buds and health manipulated by greedy food industries.

"Our bodies are Christ's purchased possession, and we are not at liberty to do with them as we please. All who understand the laws of health should realize their obligation to obey these laws which God has established in their being. Obedience to the laws of health is to be made a matter of personal duty. We ourselves must suffer the results of violated law. We must individually answer to God for our habits and practices. Therefore the question with us is not, 'What is the world's practice?' but, 'How shall I as an individual treat the habitation that God has given me?' MH 310

"Blessed art thou, O land, when thy king is the son of nobles, and thy princes eat in due season, for strength, and not for drunkenness!" Eccl 10:17

## BEAN MEDLEY

½ cup dry kidney beans (or pinto beans, etc)  
½ cup dry navy beans  
¼ cup dry lima beans  
½ tsp salt  
1 tbsp sweetening (molasses, dates, honey, pure maple syrup)  
1 small onion, chopped fine  
1 clove garlic, minced

Cover beans with water and soak overnight (or longer, if desired). Drain the water, rinse the beans and add all remaining ingredients. Cover all with water and bake in 350 oven for approximately 2 ½ hours, or until tender, adding more water, if necessary.

GOING BOLDLY  
FORWARD

"As I see what God has wrought, I am filled with astonishment and with confidence in Christ as Leader. We have nothing to fear for the future, except as we shall forget the way the Lord has led us, and His teaching in our past history. We are now a strong people, if we will put our trust in the Lord; for we are handling the mighty truths of the Word of God. We have everything to be thankful for. If we walk in the light as it shines upon us from the living oracles of God, we shall have large responsibilities, corresponding to the great light given us of God. We have many duties to perform, because we have been made the depositories of sacred truth to be given to the world in all its beauty and glory. We are debtors to God to use every advantage He has entrusted to us to beautify the truth of holiness of character, and to send the message of warning, and of comfort, of hope and love, to those who are in the darkness of error and sin." ## From the Mailbox...

We welcome your comments and opinions. If something in our newsletter or material has impacted you, we would like to hear from you. We can be contacted by fax, mail, or email. Please see the last page for this information.

Dear Dr. Veith,

I just wanted you to know that between you and Steve Bohr, you all make it so much easier for me to study my Bible. I attended Amazing Facts college of evangelism and learned alot, but you are much more detailed with information in your evangelistic campaign. May God continue to bless your ministry.

B.I.

Dear AD,

We have recently purchased a set of about 40 DVDs, and we want to thank Professor Veith for the amazing, eye-opening seminars that he has given. They are making us aware of what is happening in the world, and how Satan has set things up for his final deception.

C.M.

Dear AD,

I recently had the opportunity to view a few of my son's DVDs from Amazing Discoveries. I would just like to thank you for your courage in carrying your messages, exposing certain forces, and making it known to the world. It certainly made the scales fall off my family's eyes and my own! God bless you.

J.

Dear AD,

I am trying to find the article written by Brian Neumann, "Stop Before It's Too Late". In *Adventists Affirm* I read excerpts of it, and it is a must have for sharing with my church and local conferences. The rock music is all over us! May I have permission to copy the AA article for our people? God bless you.

S.N.

Dear Dr. Veith,

I would like to ask you to come to my church. It is in crisis. Members are leaving, mostly youth. Our church has changed over the years into something I don't even know anymore. If you are interested in helping please contact me.

J.W.

Dear AD,

The Total Onslaught series has made a great impact in my perception of current world events, and how I must prepare for the soon return of Jesus. I am persuaded to take an active part in sharing these revelations and insights to my "neighbours".

C.C.

Dear AD,

It is our privilege to pray for professor Veith, and the workers at AD. We praise God for the strength and knowledge He has given to this ministry, and for the great job you are doing. We have purchased the Total Onslaught series and can't get enough of it. It has become our daily delight, and we are sharing it with friends and co-workers. They are all

amazed. The impact is beyond imagination.

A.T.

Dear AD,

A friend shared with me your Total Onslaught DVDs, and I must confess they have changed my life. It is not the first time I heard this message, but the way it is delivered is great, and makes me feel motivated to share it. I am particularly interested in the message, "The Advocate For Our Time", to share with my friends in Sunday keeping churches.

J.D.

Dear AD,

I want to thank you so much for your ministry. My hope and prayer is that the Lord will continue to bless the Amazing Discoveries team so that the truth gets out to the world. I came across this website about a documentary that shows the eroding freedoms of the U.S. I hope that it helps with your future presentations.

M.C.

Dear AD,

Thanks alot for devoting your time to the discovery and exposition of error for the eternal interest of humanity. I have been greatly touched by your Total Onslaught series. Many questions that I have pondered upon are answered therein. Thanks once again, and may God bless you much more abundantly.

# The WARRIOR'S *prayer*

Heavenly Father,  
Your warrior prepares for battle.  
Today I claim victory over Satan by putting on  
the whole armor of God!

I put on the Girdle of Truth!  
May I stand firm in the truth of Your Word  
so I will not be a victim of Satan's lies.

I put on the Breastplate of Righteousness!  
May it guard my heart from evil  
so I will remain pure and holy,  
protected under the blood of Jesus Christ.

I put on the shoes of Peace!  
May I stand firm in the Good News of the Gospel  
so Your peace will shine through me  
and be a light to all I encounter.

I take the Shield of Faith!  
May I be ready for Satan's fiery darts of  
doubt, denial and deceit  
so I will not be vulnerable to spiritual defeat.

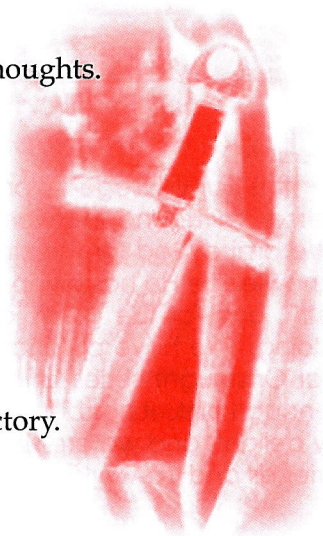

I put on the Helmet of Salvation!  
May I keep my mind focused on You  
so Satan will not have a stronghold on my thoughts.

I take the Sword of the Spirit!  
May the two-edged sword of Your Word  
be ready in my hands so I can expose  
the tempting words of Satan.

By faith Your warrior has put on  
the whole armor of God.

I am prepared to live this day in spiritual victory.

Amen.
