Anyone who can not see that the Catholic Church dominates American Politics needs to look at these photographs.

First of all I want to show several close Jesuit affiliations to powerful people such as, U.S. Presidents, Governors, Senators, Hollywood stars and main-stream media personalities.

I will do this with pictures and a short description of who the people are and what was going on at the time. I expect you to research these things on your own as well. I almost always need more than one source to be convinced of something myself. Except of course when there are pictures involved. It's said a picture is worth a thousand words so I'll let the images do most of the talking.

26 For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called:

27 But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty;

28 And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are:

29 That no flesh should glory in his presence.

30 But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption:

31 That, according as it is written, He that glorieth, let him glory in the Lord. 1 Corinthians 1:26-31

The Black Pope AKA "Father General" or Superior General of the Society of Jesus.

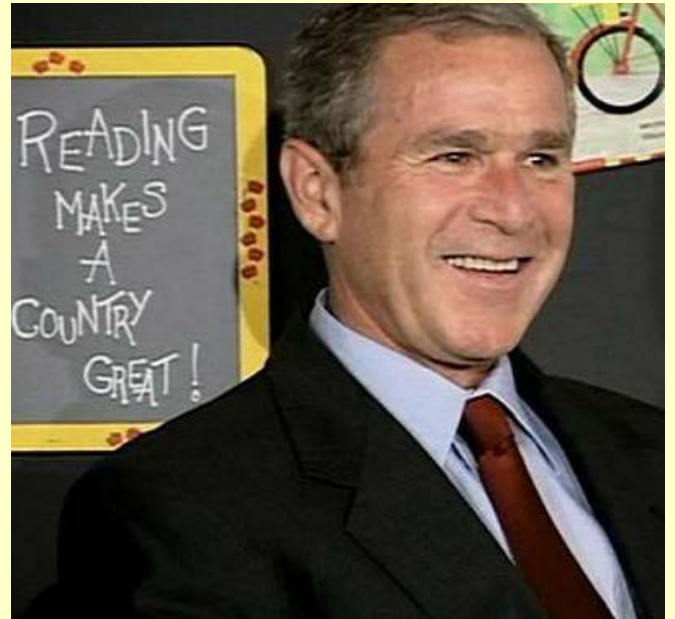

Who's Superior?

"Rarely is the questioned asked: Is our children learning?" George W Bush —Florence, S.C., Jan. 11, 2000

Father Peter-Hans Kolvenbach

Father Peter-Hans Kolvenbach was elected Superior General of the Society of Jesus at the 33rd General Congregation on September 13, 1983 when he was 54 years old. Born in the Netherlands, at age 19 he entered the Jesuit order. Ordained a priest in 1961 in Beirut, Lebanon, he spent 13 years teaching linguistics at St. Joseph's University in Beirut. Twice he lost all his possessions when the Jesuit residence was hit by shells of the warring factions in Lebanon. He speaks fluently some eight languages.

How come we don't have a man as intelligent as Kolvenbach as our President?

Think about that. Instead we have this goof ball.

There's a new Black Pope: Reverend Father Adolfo Nicolás Pachón, S.J., S.T.D. (born April 29, 1936) is a Spanish priest of the Roman Catholic Church. He is the thirtieth and current Superior General of the Society of Jesus, the largest male religious order of the Roman Catholic Church. [-More Info](#)

Over the years there have been many CIA bosses who were also Knights of Malta and/or Jesuit trained.

Other Fascist Leaders who were Knights of Malta, Benito Amilcare Andrea Mussolini, Augusto Pinochet.

These are just a few....

Here you can see they are still close knit. From Left to right you have: Louis B. Freeh, director of the FBI (When Waco went down), President of CUA (Same University Bonaparte' was a trustee of) David M. O'Connell, C.M., SJ (Jesuit), and Cardinal Bernard Law of Boston (Big time Pedophile Priest).

When this group gets together, obviously, the topics are spying, business and politics.

The CIA has also used other religious and charity organizations as fronts. For example, John F. Kennedy -- another anticommunist Roman Catholic who greatly expanded covert operations -- created the U.S. Peace Corps to serve as cover for CIA operatives. The CIA has also made extensive use of missionaries, with the blessings of many right-wing, anticommunist Christian denominations.

But the World Grows Wise...

It was only a matter of time before other nations caught on to these fronts. They learned that when the CIA comes to their countries to commit their crimes and atrocities, they come disguised as American journalists, businessmen, missionaries and charity volunteers. Unfortunately, foreigners are now targeting these professions as hostile. In Lebanon, terrorists held U.S. journalist Terry Anderson hostage for nearly seven years, on the not unreasonable assumption that he was a spy. Whether or not this was true is beside the point. The CIA has put all Americans abroad at risk, whether they are CIA agents or not. In hearings before the Senate in 1996, many organizations urged Congress to stop using their professions as CIA cover. Don Argue of the National Association of Evangelicals testified: "Such use of missionary agents for covert activities by the CIA would be unethical and immoral." 13

Description: "...In the near future, the Catholic church has joined with other western religions in an ecumenical movement that has washed out much of the original message of the religion. A group of Irish monks have begun saying the mass again in Latin and have begun to have an international following. The Titanic

Martin Sheen narrated **National Geographic: Secrets of the Titanic** and **Discovery's Two Part Documentary**. Now get this, the pictures that were used in this film were taken by a **Jesuit Priest Francis M. Browne, SJ from Ireland** who boarded the ship and exited conveniently before the last **fateful voyage**. When the Titanic went down, so did three of the richest and most prominent men in the world. These three men were against the forming of the federal Reserve Bank to whom all Americans are indebted and in bondage to. **Additional link**

The Three men of Whom I speak were:

Dear Brother Eric and Brethren in Christ Jesus,

The National Geographic special "The Secrets of the Titanic" is on YouTube. Here the links to the five parts (about 10 min each) of the documentary. Watch it while it's still available. **Part 1 Part 2 Part 3 Part 4 Part 5**

At 6:16 of Part 1 Coadjutor Sheen describes authentic pictures of Titanic before she sailed for the last time. These photos were taken by Irish Jesuit Fr. Francis M. Browne (referred to as "a vacationing priest") by Coadjutor Sheen never admitting Browne was a Jesuit nor does he explain why Jesuit Browne disembarked from Titanic after briefing Temporal Coadjutor Captain Edward John Smith that he had bring Titanic down deliberately and ignore any warnings of icebergs. Disclaimer-the following info (I'm paraphrasing) was on Wikipedia which I am not completely sure of in terms of veracity. I will see if more credible and reliable sources confirm this.

> >From http://en.wikipedia.org/wiki/Francis_Browne

Browne's Jesuit provincial forewarned him by ordering him to "GET OFF THAT SHIP-PROVINCIAL" after he requested permission from his superior

Father Provincial to travel to New York with an American millionaire couple who offered to pay Jesuit Browne's way to New York and back in exchange for his company during the voyage.

This web site is the Father Browne Photographic Collection. Not surprisingly it does not detail what Jesuit Browne's provincial actually told him but it does say he was ordered to disembark from the doomed Titanic. <http://www.fatherbrowne.com/index.htm>

Robert D. Ballard is reported to be the first to discover the wreckage of the Titanic. It is disputed whether Ballard truly found the remnants of Titanic because a Royal Navy vessel in 1977 according to <http://www.paullee.com/titanic/titanicfound.html> found it first.

Ballard and coadjutor Sheen worked together in this documentary. Ballard directed it and Sheen narrated. As a matter of fact, Ballard will be my graduating class' guest Commencement speaker on May 21. I believe it is possible Ballard is a coadjutor himself because he refuses to address the possibility that a rival team of discoverers got to Titanic first. He might be aiding the Jesuit cover-up. Perhaps because Ballard receives the praise of the Pope's CFR press, notoriety, fame, and recognition for his discovery he keeps his mouth shut not telling the truth (for fear of death) about why Titanic was sunk and was always meant to be destroyed from its inception just like the Twin Towers of the World Trade Center.

Mel Gibson receiving his *Honorary Doctorate* at **LOYOLA "Jesuit" Marymount University** in LA back in May 2003. Who's he with? **Jesuit William J Fulco**.

Fr. Bill Fulco, SJ, professor of ancient Mediterranean studies at Loyola Marymount University, translated Mel Gibson's film script for *The Passion of the Christ* into Aramaic and Latin and was language coach for the actors on location in Italy.

Mel Gibson's first name comes from a 5th-century Irish saint, Mel, founder of the diocese of Ardagh containing most of his mother's native county, while his second name, Columcille is also linked to an Irish saint. Mark Wahlberg Has A Vatican Cross In His Bedroom

Religious **The Departed** star **Mark Wahlberg** has turned his bedroom into a sacred space, complete with holy water and the replica of a crucifixion art piece that stands at the Vatican. The Catholic actor takes his religion seriously and claims his Frederick Hart clear resin cross with a statue of the crucified Christ inside is one of his proudest possessions.

Wahlberg showed off the sculpture, which stands in an antechamber of the master bedroom he shares with girlfriend Rhea Durham and their two

kids, as part of a recent interview with movie magazine *Premiere*. Wahlberg says, "(Hart) was a famous sculptor who's done all kinds of religious work... for cathedrals and stuff. There's two of these (sculptures) - one in the Vatican and one here. The actor keeps a bottle of holy water by the side of the Hart cross so he can use the antechamber as his own personal chapel whenever he's home."

TOM CRUISE - Is he a Psy-op?

Hmmm, why would i say that..? Well, first off, he was raised Catholic and he even studied to be a Catholic Priest. His mother is a practicing Catholic AND Scientologist. Tom Cruise is also godfather to Jennifer Lopez's and Marc Anthony's twins. Lopez and Anthony are very religious Roman catholics so it's odd that they would have Tom Cruise to be the godfather of their Catholic twins.

Here's where a big piece of a possible Psy-Op (Psychological Operation) comes in. Tom's former wife, Nicole Kidman is a Roman Catholic and stated publically that scientology isn't compatible with catholicism and thus aided the split between them ending in divorce. What more public way could Roman Catholicism be divided from Scientology?

Oh, I could go on here and piece together a lot more regarding this. But let me say Scientology is very odd in itself. I believe Scientology is in fact a huge Psy-Op. Think about the fact that L Ron Hubbard was NAVY Intelligence officer. He then starts this religion and begins stating that the CIA and FBI is bad. Congressman leo Ryan who was Jesuit trained was an outspoken critic of Scientology and then was assassinated in Guyana investigation **Jim Jones and Jonestown**. In the wake of Leo Ryan's assassination, CAN (Cult Awareness Network) was created. CAN went after Scientology and was sued by scientology and Scientology won, and then took over CAN. Are you beginning to see what's happening?

There seems to be a tremendous drama being played out before our eyes. The whole thing seems contrived and I suspect the ending of this drama won't be very nice.

Rupert Murdoch

(Chairman & Chief Executive Officer of News Corporation)
Papal Knight of St. Gregory. Rupert Murdoch was born Catholic. His mother's maiden name was "Greene" In 1998 Rupert was made a Knight of the Order of St. Gregory the great. Another Knight of the Order of St Gregory the Great was John J Raskob who was married to another "Greene" (Helena).

Greene is not of Jewish origin. You can see the **roots of the Greene name here.**

Later some Jews took the name "Green (e)" but it's highly unlikely and is not proven that Rupert's mother was Jewish or that Raskob's wife was Jewish.

Interesting point, The powerful and controversial Roman Catholic, **José María Aznar** is President of the **Board of Directors** of Rupert Murdoch's News Corporation

Re: **NewsCorp**

Dear friends,

http://www.newscorp.com/corp_gov/bod.html

Here's good tidbit of information. Viet Dinh, main architect of the U.S. Patriot Act is also on the board of directors of the powerful News Corporation owned by Rupert Murdoch.

- **Viet Dinh** Professor of Law *Georgetown University*

And the powerful Roman catholic, Fascist, former president of Spain, and personal friend of King Juan Carlos of Spain, José María Aznar is current President (of the board of directors). He is the one Hugo Chavez called a Fascist and King Juan Carlos told Hugo to "shut up".

To the left Chavez calls Aznar a "Fascist" and above you see they are all really allies.

(Mr. Aznar has been a Distinguished Scholar at the Edmund A. Walsh School of Georgetown University since 2004 ~[Link](#)

- *Aznar in 1999 had urged President Clinton to bomb Serbian radio and television*
- *Aznar's government, along with the Bush administration, openly backed the April 2002 military coup against Chavez* (Which probably had several psychological functions on the nations involved because Hugo Chavez is one of them as far as I know. See pics on this page.)
- *Aznar actively participated in the "illegal" and brutal invasion of Iraq, on the basis of false assertions about weapons of mass destruction.*

Another member of the Board is, **Andrew Stephen Bower Knight** (born 1 November 1939 in England) is a *journalist, editor, and media baron.*

He was educated at the Roman Catholic school Ampleforth College, where he was appointed Head Boy, and was awarded an Exhibition to Balliol College, Oxford (MA, Modern History).

Director of Rothschild Investment Trust Capital Partners plc since 1997

Interesting and strange connection: Another NewsCorp board member Rod Paige, (2nd Link) was sitting with George W. Bush at the Emma E. Booker Elementary School in Sarasota, Florida, when Bush received the news that a second plane had hit the World Trade Center in the September 11, 2001 attacks.

He is also prominent member of **Phi Beta Sigma Fraternity, Inc.**

Walter Annenberg, created TV Guide Was also a Knight of the Order of St Gregory.

U.S. Media Executive/Publisher/Diplomat

As a media magnate Walter Annenberg controlled important properties in the newspaper, television, and magazine industries. Perhaps most significantly, he was responsible for the creation of TV Guide, the largest circulation weekly magazine in the world, a magazine central to understanding television in America. He was also very active in the arena of American politics, and served as United States Ambassador to the Court of St. James. In his later life, Annenberg became renowned for his substantial philanthropic activities, which included significant donations to educational institutions and public television.

Hugo Chavez

If you want more info on Hugo Chavez, I Created a whole page for him [HERE](#).

Alex Jones thinks Hugo Chavez is a hero of some sort and so do many others in the 'Truth Movement' as well. But if you do some research you will find that Chavez is a devout Roman Catholic Socialist who has given himself many dictatorial powers as Hitler did through the [Enabling Act](#).

The following taken from online blog:

About two months ago, after hearing all the praise everyone was giving Chavez, including Alex Jones and others alike, I decided to look into this guy a little. I discovered that he called for a New World Order not once, but twice BEFORE everyone started praising him and this has bothered me greatly since I found this out. And today, for the THIRD time he has called for a New World Order so lets see if these big-shot 'truth seekers' will start talking about this now. I have emailed a link to Paul Joseph Watson (prisonplanet.com) so lets see if this article gets posted and if Alex Jones speaks out about this on his show... which is due to start in two and a half hours. I have also emailed Jack Blood and urged him to talk about this on his show. Chavez is part of the problems we are facing in the world today and it's time for everyone to stop talking about him as if he is some kind of god. My guess is that Chavez is part of the 'bring down America' agenda which we are clearly seeing taking place right now.

From the common man, to mainstream political entities, they must all kiss this man's hand! This is an open act of worship the pope is receiving with complete agreement.

Often the pope won't even raise his hand for the person to kiss it. They literally have to bow before him to kiss his hand dangling at his side as we see Mexico's former President Vincent Fox doing in that photo. It used to be not so many days past that it was the pope foot you must kiss as is shown in this etching...

Hugo Chavez said: I am a Catholic and a Christian and a very committed Christian and I was talking to the Pope about the struggle against poverty -I call it Christ's cause. Then he was talking about the first time he had met Fidel Castro. Search Alex Jones' web site. Notice that not one word of Hugo Chavez's call for a NWO is mentioned. Why? Alex is supposed to be covering everything pertaining to a NWO.

Francis Cardinal Spellman - Jesuit-trained at Fordham University in New York and the American College in Rome; Archbishop of Rome's wealthiest and most powerful Diocese; Military Vicar of the American Empire controlling the Knights of Malta, Shriner Freemasonry, the Knights of Columbus and the Mafia's Commission; the acting King of the Pope's Fourteenth Amendment Holy Roman American Empire ruling from his Palace in the city of the Empire State along with his Papal Maltese Knights of the Roundtable overseen by the Professed Jesuits (Jesuits under Extreme Oath of the Fourth Vow) at Fordham University including now Cardinal Avery Dulles, the nephew of past Secretary, Vice President, and President of the Cardinal's Council on Foreign Relations (1933-1950), past CIA Director until fired by President Kennedy and member of the deceptive Warren Commission.

The Jesuits notorious uncle was none other than The Gentleman Spy, Rome's prostitute Protestant Presbyterian and Shriner Freemason, Allen Dulles. Spellman therefore controlled the Council on Foreign Relations, the FBI, the CIA, Military Intelligence including the Office of Naval Intelligence and the Secret Service, the Power and Mastermind behind the assassination of President Kennedy and subsequent Cover-up, continued by Cardinals Cooke and O Connor.

The present Archbishop, Cardinal Egan will continue the Great Jesuit Cover-up, as evidenced by his Oath as a Cardinal, his first and foremost loyalty is not to the People of the Constitutional Republic of these United States, but to his master in the Vatican, his supposed King of kings and Lord of lords, Jesuit General

Kolvenbachs "infallible" god who sits in St. Peter s Chair, Pope John Paul II! For he holds the Devils Papal Office of the Jew-hating and blasphemous Seventh Roman Caesar who has not yet come and, when indwelt by Satan upon rising from the dead, will be the Eighth Roman Caesar - the beast Revelation 17:10,11.

33rd degree Freemason Gen. MacArthur and Military Vicar **Cardinal Spellman**

Father Edmund A. Walsh, S.J. conferring with 33rd Degree Freemason General Douglas MacArthur in Tokyo, 1948.

Strongly anti-Communist, it is alleged that Walsh was the man who first suggested to Senator McCarthy hat he use this issue in order to gain political prominence. Walsh vigorously promoted anti-Communist thought throughout his career.

Senator Joseph McCarthy who was a Graduate of a **Jesuit University** must have been easy to manipulate at the hands of Jesuit Edmund Walsh who suggested to McCarthy that he could make a name for himself by taking an extreme anti-communist stance thus coining the term McCarthyism which also ended up with the Senators total downfall

Former Governor of Florida, Jeb Bush, meeting with Pope Benedict

Groveling before a MAN. He's no Vicar of Christ either.

Here Jeb Bush is being made a 4th degree K of C.

If Bush is a Christian and says Jesus is his Saviour then why is he giving the pope an idol of Mary?

THE PAPAL OCTOPUS.

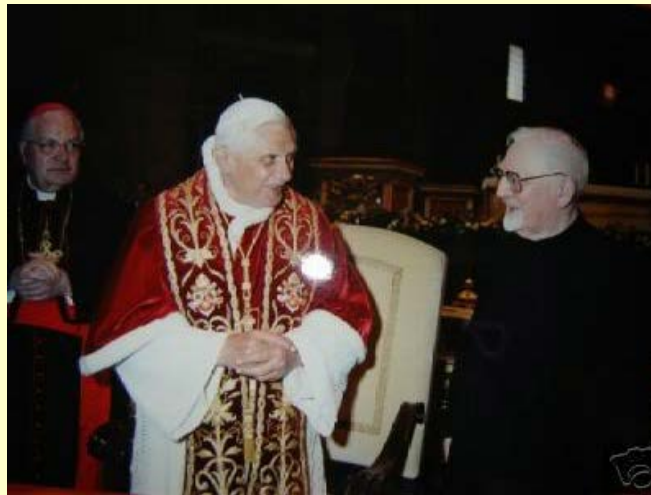

Romanism is a Monster, with arms of Satanic power and strength, reaching to the very ends of the earth, the arm of superstition crushing the American child, that of subversion crushing the American Flag, that of bigotry crushing the American Public School, that of ignorance crushing the credulous dupe, that of corruption crushing the law of the land, that of greed grasping public moneys, that of tyranny destroying freedom of conscience, freedom of speech, freedom of the press, all over the world—*per totam orbem terrarum*.

In January 1933, the Belgian mathematician and Catholic priest Georges Lemaitre traveled with Albert Einstein to California for a series of seminars.

After the Belgian detailed his Big Bang theory, Einstein stood up applauded, and said, This is the most beautiful and satisfactory explanation of creation to which I have ever listened. Lemaitres theory, the idea that there was a burst of fireworks which marked the beginning of time and space on a day without yesterday, was a radical departure from prevailing scientific understandings, though it has since come to be the most probable explanation for the origin of the universe. *(In other words, a Jesuit was behind the embarrassing doctrine of the "Big Bang" theory. -TR)*
