

the PRESENT Truth -- what Jesus is doing NOW

Hegelian Dialectics and Conspiracy

Textbooks present war and revolution as more or less accidental results of conflicting forces. The decay of political

negotiations into physical conflict comes about, according to these books, after valiant efforts to avoid war. Unfortunately, this is nonsense. War is always a deliberate creative act by individuals.

Sixth Seal ends the Gentile dispensation

"The church is living off a past reputation. This nation is living off a past reputation: what

the forefathers were (See?), and that's the reason we think we'll be saved. God never respected Israel on what they was, what they had been; what they was then. . ."

The Revelation of the Seven Seals

The Book of Redemption is the Book of Life and Lamb's Book of Life and holds the names of the redeemed of all ages. It was written in God's foreknowledge from the

foundation of the world. Daniel and John were told to seal It unto the time of the end, or the conclusion of Christ's mediation.
