THE CUTTING EDGE

NEWS BRIEF: "The Next Arab-Israeli War", by Emanuel A. Winston, A Middle East Analyst and Commentator, The Jewish Press, Week of January 31, 1997, Vol. XLVII, No. 5, p. 43 and 53.

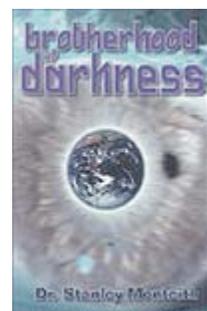

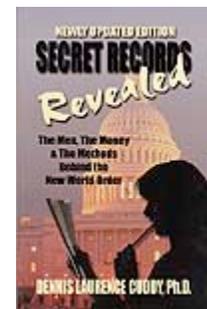

"In mid-January, a terrifying, although not surprising, report was revealed to the public. Dated December 10, 1996, compiled and researched by The U.S. House of Representatives' Task Force On Terrorism And Unconventional Warfare, it is entitled, 'Approaching the New Cycle of Arab-Israeli Fighting' ... In brief, this report tells us that such nations as Syria, Iran, Iraq, Pakistan, and Egypt are planning and building for a final, devastating war of annihilation against Israel. This includes acquiring nuclear, biological and chemical weapons (NBC) in a mix with conventional weapons, e.g., tanks, aircraft, and soldiers, all in massive, overwhelming numbers." [P. 43]

Let us pause here to digest what we have just learned. Our own Congressional intelligence reports now know that Israel is being threatened with a massive and coordinated attack by this consortium of Arab nations. This means that the President of the United States must know. Yet, he has been very seriously engaged in applying

severe pressure against Israel, to force her into concessions to the Palestinian leader, Yassir Arafat, concessions which any military man will tell you will place Israel's national survival in tremendous jeopardy.

This situation means that the President has, in effect, joined forces with those Arabs who are planning to annihilate Israel. Finally, after fighting 6 major wars against Israel with the express purpose of annihilating her, the Arabs have just received their greatest ally, the United States of America! After you read this article, you will understand this previous sentence. Our Government may now have joined with Arab forces in a campaign to annihilate Israel.

We have written much about this coming war between Israel and her Arab neighbors. In [NEWS1015](#), "Albert Pike's Occult Vision As To How to Achieve New World Order", we showed you how Pike's demonic 'Guiding Spirit' had revealed to him the only way in which the planned New World Order could be implemented. We urge you to stop and read this article as it gives you much needed insight to be able to understand the drama that is unfolding before us. Remember, this occultic vision occurred in 1870, and has been followed closely as THE PLAN ever since.

We also reported on other facets of this coming war in the following articles:

- * [NEWS1026](#), "Pray For Israel! War Is Near"
- * [NEWS1035](#), "Scene Seems Set In Middle East For BOTH Prophesied Wars!"
- * [NEWS1038](#), "Drumbeat To War In Middle East Builds To Fever Pitch"

These articles, taken together, give you a pretty good basis for understanding what is happening in Israel now, and what is inevitably coming. But, now let us turn to Pike's Occult Vision as to how the world could be moved into the planned New World Order. Albert Pike was the leader of the North American Freemasonry movement, and de facto the global leader of the drive to achieve the New World Order. Full biographical details are in [NEWS1015](#). We now want to give you enough of an understanding of Pike's vision that you will be able to better fathom the article, at which we began to look, above.

Albert Pike received a demonic vision, described below. On January 22, 1870, Pike and one of his international co-conspirators, Guiseppe Mazzini, **published the Plan which would establish the New World Order**. This Plan was kept very secret, only within Freemasonry circles since the time of its inception, known only to fellow occult Illuminist conspirators. (This information is taken from a book from a former Luciferian Illuminist, Doc Marquis. His book is "*Secrets of the Illuminati*" and reveals much formerly hidden detail known only to Illuminists).

The secret Pike plan to control the world foresaw the need for **three world wars**. Stop here for a moment to remember the date of this prediction: **January 22, 1870**. This date is **44 years** before the beginning of World War I. Once you understand the facts we are about to share with you and realize the length of time between this prediction and the beginning of its fulfillment, you can understand how supernatural forces were truly in command. Further, **January 22, 1870**, is occultically significant also. The number 22 is one of the three important occultic **primary numbers** (11, 22, and 33).

The Pike Plan to overthrow the Judeo-Christian Old World Order, and establish the Satanic New World Order foresaw the need for war. However, this war was not the type of warfare the world had seen historically. **This war was to be on a much larger scale than history had ever recorded.** This war was to be global, or world-wide.

The details of this Pike Plan for three (3) World Wars to establish the New World Order is as follows: (As you are reading this demonic prophecy, remember the occult concept of Thesis battling Antithesis to produce the new system, Synthesis, as covered in NEWS1007, <http://www.cuttingedge.org/news/n1007.html> . World Wars I & II were fought to establish Antithesis, to set up the Cold War, that "controlled conflict or threat of conflict" that would produce the new system, Synthesis, the New World Order).

I. The **First World War** was designed to enable the Czarist Government in Russia to be finally and completely overthrown. The new Russian government was foreseen to be atheistic and militaristic. Further, Pike specified that this new Russian Government was to be **Communistic**. Karl Marx had published his Communist Manifesto in **1848, exactly 22 years** before this occultic prophecy through Albert Pike. Isn't it interesting that the occultic number 22 keeps popping up?

History records that this First World War did, indeed, occur just as listed, above. The Western powers in Europe, in conjunction with the United States, financed Lenin's expedition into Russia, they financed his government consistently, and we have financed Russian Communism at least once per decade since then, just to keep it afloat.

II. The **Second World War** was foreseen to originate between Great Britain and Germany. However, one of the planned results of this war was to strengthen the new Communist Russian government, so that it could weaken and destroy other governments and religions.

History again records that the Second World War did, indeed, accomplish this objective. The war started when Germany invaded Poland, causing Great Britain to declare war on Germany. Very soon, the troika (3's) of powers were set up to wage this war. The Black Magick occultists allied themselves when Germany linked with Italy and Japan; the White Magic occultists allied themselves together as Great Britain linked with the United States and Russia. Do not be deceived. This war was fought between two (2) New World Order forces, the "evil" alliance of the Axis Powers and the "good" alliance of the Allied Powers; the war was between the Black Magick forces against the White Magic forces.

Certainly, the Pike vision of the Second World War building Russian Communism into a super power was fulfilled to a startling degree. Historians have always been mystified as to how Churchill and Roosevelt could have given away all of Eastern Europe to the Soviets, when the preponderance of power was clearly against the Soviets. Clearly, when Roosevelt and Churchill ceded all of Eastern Europe to Russia, the Communist Government of Russia, now known as the U.S.S.R. {Union of Soviet Socialist Republics) completed its transition to a super power, exactly as Pike's vision had foretold. And, let us not forget that the Second World War had given Russia capabilities it had not possessed before the War. Not only did we build up the Russian military to a frightful degree, but we had also built entire factories East of Moscow that gave Russia an instant manufacturing base. Even though Russia had paid dearly in human lives during the War, they came out of the conflict a

superpower. Thanks to Roosevelt, Russia now had a kingdom to go along with its new military and industrial base.

Now, you know that **Freemason President Roosevelt gave this territory to Russia simply and only because he was being true to Pike's vision of 1870!!** You will never read this true history in any of your books!!

III. The **Third World War** was foreseen to be between Judaism and Islam. This prophecy is incredible in many ways, beginning with the understanding that this prophecy of a third world war occurred in 1870, a time **when Israel did not exist as a nation**, and when no one except Fundamentalist, Bible-believing Christians believed it would ever exist again.

Watch the events in Israel very carefully, because the final chapter is being written there. The demonic 'guiding spirits' of Freemasonry, of the leaders of the New World Order Plan, are planning a final, definitive Third World War, which will begin between Israel and her Arab neighbors and spread to the entire world. Literally, out of the smoke and destruction of this Third World War, **Antichrist will come striding!**

Now, we can return to our current article, with the basis of understanding needed to comprehend the situation for what it truly is, i.e., the final stage being prepared for the planned World War III.

"Pakistan will have fulfilled its role as incubator for the Islamic Nuclear Bomb. It is expected that Syria will be the planned spark that ignites the war by bringing its troops close to Israel's borders on the Golan and Lebanon, provoking Israel into a no-choice preemptive strike. This will provide the justification for the other war pact members to join Syria while giving the West an excuse to not protest the Arab armies' assault."

While this scenario might be exactly what happens, we believe the real spark for the beginning of this war might be when the heavily armed 40,000-man Palestinian police forces begin a concentrated attack on Israel from deep within Israel. When the Israeli Army is pulled away from the border to within Israel to put down the murderous Palestinian attacks, Syria and Egypt will attack the borders.

In [NEWS1026](#), "Pray For Israel! War Is Near", we show you the Biblical judgment God levied on Damascus, capital of Syria. In Isaiah 17:1, God pronounces judgment upon the capitol of Syria, Damascus, "The burden of Damascus. Behold, Damascus is taken away from being a city, and it shall be a ruinous heap." This prophecy has never been fulfilled. In fact, Damascus is known among historians as being the longest continuously occupied city in world history. There has never been a time when Damascus has not existed. Yet, here we have this Godly judgment against this city, a physical destruction so great that it stops being a city, becoming a heap of ruins.

This planned war seems to set the stage whereby this prophecy could be fulfilled. Israel is sick and tired of being attacked by overwhelming military forces, of miraculously beating these forces, and then to realize that their 'peace' simply gives the Arabs time and space to attack again. Believe me, they plan to annihilate their implacable Arab foes. And, God's judgments against the Arabs in the Last Days, as we have gone to great lengths in the above many articles to share with you, parallel this Israeli attitude. If any of you feel like condemning Israel for this attitude, let me ask you what attitude you would have if someone continually attacked your house, trying to kill you and your family. Each

time you successfully repelled his attacks, but he keeps coming back again and again, each time wielding more sophisticated weaponry. At some time, you would simply decide to kill him so he could never threaten you again. This is Israel's current attitude. Let the historical record show that Israel never started any of the wars since 1948, when they founded their nation. The Arabs have been the aggressor each time, and Israel the victim. The Arabs then have turned to the bargaining table to try to regain by diplomacy what they failed to lost on the battlefield.

Now, let us return to this most informative article:

"At this time, each of the aggressor nations is aggressively building additional military stocks which are both conventional and non-conventional. Depth in military reserves allows a coalition of Arab forces to cause Israel to wear down and use up its reserves of men and material. Recall how, in 1973, when Israel was desperately short of munitions. President Nixon and Secretary Kissinger withheld re-supply until the very last moment in order to force Israel's compliance with Arab demands."

Arab leadership is painfully aware of the vast gulf which exists between Arab manpower and Israeli manpower. We have the spectacle here of over 270 million Arabs trying to annihilate only 4.5 million Jews! Why can't the Arabs pick on someone their own size, I can hear the fifth grader shout from the playground! Yet, these vastly outnumbered Jews keep kicking the Arab armies all over the battlefield, inflicting terrible casualties and winning all these wars. The Arabs have to be hanging their heads in shame over this!! Psssst, let me whisper a little 'secret' here. God is protecting His Israel in the same manner in which He protected her in the Old Testament. The Arabs are fighting God!! Read again these previous articles listed, above, where we list all the applicable Biblical prophecies to Israel, both then and in the End Times. God absolutely guarantees military victory for Israel over all her enemies in the End Times, after He has returned Israel to her land!!

I personally find it repugnant to discover that my former President, Nixon, was really a closet Arab supporter even though he was publicly professing his steady support for Israel. How many Israeli soldiers died while Nixon and Kissinger were playing hardball with Israel? And, now, if this article is correct, our current President is planning to also aid the Arabs by not actively coming to Israel's aid! We are very close to the time of the End where God said that, finally, events were going to look so bad for Israel that Michael, Israel's Guardian Angel, was going to have to actively come to her aid (Daniel 12:1); let us quickly review this text, as this is God's ironclad promise to Israel. "And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book." Read this verse carefully, for you will see, in a few moments, as we detail the rest of this article, how this unparalleled trouble might be just around the proverbial for Israel.

Now, back to the article:

"The House of Representatives' Task Force report describes in detail how 'the supreme leaders, civilians, and military, of most Arab states, as well as Iraq and Pakistan, are convinced that the present vulnerability of Israel is so great that there is a unique opportunity to begin the process leading to the destruction of Israel. They believe that the Muslim world should not miss this historic window of opportunity. Therefore, these Muslim leaders have finalized numerous strategies and tactical alliances

heretofore non-existent in the region."

Refer to our [NEWS1026](#) , where we detailed the Israeli belief about this coming war. Obviously, if our House of Representatives know about these war plans, you know the Israeli intelligence services know even more about it.

At this point, we need to turn to the actual House of Representative's intelligence report upon which this article in the Jewish Press is based, because it gives great detail missing from the Jewish Press article.

"Starting in mid August [1996], the Syrian Armed Forces have conducted a series of redeployments and maneuvers that have direct implications for their ability to launch an attack on Israel ... The initial Syrian force movements in Lebanon, and near the Golan, especially near Mt. Hermon, already changed the strategic posture in the region ... IN the first phase, in late August [1996], mechanized units deployed from Bhamdun and Dahr al-Baydar in central Lebanon to forward positions very close to the Israeli-held security zone ... In the second phase, completed in mid September [1996], units of the 10th Mechanized Division deployed ... along the Beirut-Damascus Highway all the way to the Biqaa ... The third regiment of the 14th Special Forces/Commando Division deployed from Beirut to forward positions in south-eastern Lebanon, overlooking the Israeli Mt. Hermon from the west. The deployment of the 14th Special Forces/Commando Division enables it to strike Israel's key early warning station on a moment notice, thus harming, if not paralyzing Israel's ability to detect a major surprise attack."

"In late October [1996], Syrian officials briefed their Lebanese counterparts that the Syrian Armed Forces were properly deployed and ready for a preemptive strike against Israel ... As of mid October [1996], Iraqi military units, including armor artillery, and missile units, began moving from central Iraq toward the Syrian border. Iraq began a call up of reservists and the activation of units in western Iraq that had been dormant since the Gulf War."

"By late to mid October [1996] ... the latest Syrian 'exercises' with SSMs and major armored forces ... amount to 'crawling' toward the forward positions, enabling Syria to launch a surprise surge into the Golan as well as escalation in southern Lebanon aimed to achieve initial grabs."

"Meanwhile, throughout the fall of 1996, Iran delivered, via Syria, a whole range of vastly improved weapons to the HizbAllah and other terrorist forces based on the border with Israel. Among these weapon systems are: 1) The truck mounted Fajr-3 240mm rockets, which, with a range of 26-27 miles, can hit major Israeli objectives from beyond the security zone. 2) The highly lethal FAGOT ATGMs -- Soviet design 3) 35mm Oerlikon automatic guns -- a Swiss weapon good against both helicopters and surface objectives."

"The Iranians also delivered large quantities of weapons already in the HizbAllah arsenals, including GRAD-M 122mm rockets, Isphahan rockets, Stingers SFSAMs, SAGGER ATGMs, night vision equipment, explosives and ammunition .. The Iranian airlift of weapons and equipment for the HizbAllah and terrorist organizations intensified markedly in the first week of December [1996]."

This information, from our own House of Representatives' intelligence resources, give an air of immediacy that is simply not equalled from any other source. These Arabs are seriously under the

illusion they can defeat Israel. Tiny Israel will be so hard pressed to defend herself, God will have to come to her aid, in ways we discuss in a few moments. These deployments, carried out in 1996-7, are still in place, awaiting only the right set of circumstances.

Now, let us return to the article in the Jewish Press:

"The plan of attack includes, again, embargoing oil to the West to persuade the U.S. not to attempt re-supply in time, nor to assist in any way." So, our Government, who knows this is about to happen, is not moving American military forces in place to dissuade the Arabs from carrying out this embargo threat!! It sounds very much like they are on the side of the Arabs. Furthermore, it looks like you and I, average Americans all, are going to have to put up with skyrocketing oil and gas prices again, maybe like 1972-1973, simply because our government is silently, passively cooperating with the Arab plan. But, that isn't really right, is it? We have shown that America always has been **THE leader** in this New World Order Plan to stage Antichrist; therefore, this part of the Plan calls for America to stand passively by.

Remember this: the New World Order Plan calls for the annihilation of both Jew and Arab, because they believe in the existence of One God too strongly to ever accept the claims of 'The Christ'. Wouldn't it be 'smart' to create a plan whereby they would kill each other off? However, this New World Order Plan envisions the victory of **Israel**, which is why Antichrist will appear outside Jerusalem, will go to great lengths to persuade Israel that he is their Messiah, and will rebuild their temple. Remember Peter Lemesurier's book, '*The Armageddon Script*', which specifies that the war leading up to the appearance of 'The Christ' will result in the destruction of the Arab Dome of the Rock!

Now, back to our article:

"The Europeans, who have been equipping Iraq, Iran, and Syria with unconventional technology and weapons, will not be difficult to persuade. They already know the war is coming and wish to protect their future Arab markets for arms, etc. They can be counted upon to close their airfields and ports to American re-supply for Israel. However, they can be relied upon to continue shipping munitions to Arab nations." Obviously, these European leaders have never heard God's End Time promise to Israel regarding the weaponry that will be arrayed against her. "No weapon that is formed against thee shall prosper;" [Isaiah 54:17] **NO** Weapon formed against Israel will be able to defeat her. All Arab, American, and European leaders planning otherwise are going to be mightily surprised!!

Now, this article gets terribly interesting:

"Within Israel and on its borders, Arafat's 'Palestinians' will cause planned havoc. Recall how Arafat's 'Palestinians' living in Kuwait, acting on orders as a fifth column, collaborated with Saddam Hussein's army to capture Kuwait. Recall how the Palestinian Arabs joined in the pillage and rape, side by side with Iraqi soldiers ... In this coming war, Arafat's Palestinian Arab Police, in coordination with Hamas, will begin blowing up key targets, road junctions, preventing mobilization of Israel's civilian reserve soldiers from reaching their units at the front. In Judea and Samaria, roads will be mined and Israeli access blocked by shoulder-fired anti-tank missiles now smuggled in under the benign neglect of the government of Israel."

Now, why would the Jewish government of Israel simply close its eyes to the smuggling of these devastating weapons? Peres is considered to be a Liberal and Netanyahu a Conservative, so you have governments of both ends of the political spectrum allowing these weapons to be smuggled in to the Palestinian Arabs! Why?! It almost sounds like they WANT the Palestinian Arabs to go to war, does it not? I have always wondered how former Prime Minister [and Army General] Rabin could have possibly supported this insane policy of giving the Arabs a state within her borders. After all, Rabin was a distinguished general, and understood the untenable military situation into which he was placing Israel. He understood that the Arabs were attempting to seize military advantage from the diplomatic table. He understood that the Arabs viewed the 'peace talks' as simply a type of warfare. Since all this is true, why was that the old decorated general, Rabin, so willing to agree to the establishment of an Arab state within tiny Israel, a situation akin to someone holding a knife one inch from a person's heart?

There are only several options: 1) Rabin has turned traitor, which I do not believe; or 2) Rabin has lost his mind, which I also do not believe. Besides, if he was pursuing these policies because he had lost his mind, then we have to consider that all the legislators who have supported him have also lost their minds. And the same can be said for the 'traitor' option. I do not believe, for one second, that these legislators and military men who have supported Rabin do not love Israel. Then, what is going on? Why would these highly intelligent, military minded men support such a ludicrous plan? The only solution I can see is: 3) Israel has a **hidden plan**, a plan to **bait the Arabs** into an attack, so that Israel would be justified in annihilating her implacable enemies. As I have stated earlier, Israel is tired of winning every war thrown against her, and then never be able to realize peace and security as a result. All their victories have achieved is to set the stage for the next war. I do not know how this war will play out, but based upon God's promises to Israel in these Last Days, and upon Israel's past record, I am certain that this will be the final war between Israel and her Arab neighbors, because Israel will completely destroy the entire countries. We will just have to wait, watch, and pray for Israel's safety.

Now, let us return to this article:

"This low level conflict is intended to tactically hinder Israel's heavy battle armor and artillery from reaching the Jordan Valley, where a coalition of Arab armies will advance under their mobile missile umbrella. The Palestinian Arabs already have shoulder fired ground-to-air missiles, some of which are U.S. Stingers smuggled from Afghanistan through Iran to Arafat's mix of armed police and terrorist groups. These deadly missiles will cause heavy losses to Israeli aircraft trying to slow the advance of Arab troops across the Jordan Valley. The entire West Bank under Arab control will act as a barrier to delay mobilization of Israeli forces, allowing Arab forces to spread out and move west toward Jerusalem."

"Toward Jerusalem" has been the cry of both Arab and Jew for the past Millennia. But, why should we be surprised, because God very clearly foretold that Jerusalem would be the center of attention of the entire world in the Last Days.

With this as our background, let us continue with this most remarkable article:

"During these internal assaults, Syria, Iraq, and Iran will launch a mix of missiles at Israel's cities and military targets. Egypt has been accumulating Scud missiles from North Korea, and is likely to join

the salvo. [Note: To get a full Biblical accounting of the prophecies concerning the destruction of these nations, go to [NEWS1026](#)]. Israeli civilians make up most of the standby reserve military, and, therefore, hitting the cities can be equally effective as hitting a prepared, hardened military target. Airfields will be targeted by missiles with sub-munitions (small bomblets) which destroy runways, to keep Israeli aircraft from taking off or landing. Missiles may be loaded with gas and chemicals so the runways could not be quickly repaired, and killing troops and civilians."

To the American writers of the Jewish Press, this situation will look dreadfully bleak, maybe hopeless. Their precious Israel, the deep hope of Jews for almost two Millennia, just may be destroyed by this battle plan. And, the thought that this scenario would not have been possible were it not for the support of Jewish 'patriots' Peres, Rabin, and now Netanyahu, is almost more than they can stand. These writers also cannot stand the idea that the United States is equally culpable in this battle plan, conspiring with the Arabs to annihilate Israel. Can't you just see the act of President Clinton, the morning after the Jews have been annihilated? Tears would stream down his face, as he moaned and groaned over the loss of the Jewish nation, and all its inhabitants. Clinton would agonize with the victims, assuring American Jews that "he felt their pain". But, nothing could bring Israel back, of course, and the New World Order Planners would have just eliminated one of their foes, the organized nation of Israel.

But, of course, that will not happen, will it? It will not happen for two basic reasons: 1) God's prophecy states that Israel will never again be destroyed after she has been returned back to her land 2) The New World Order Plan is entirely built around their goal of the Antichrist convincing the Jews that he is their Messiah! Their Plan calls for the destruction of the Arab Dome of the Rock, and the destruction of many, many Arabs, starting with the Palestinians. And, all of this, of course, fulfills Biblical prophecy.

Therefore, all this arming of the Arabs by Russia and by Europe, is simply a *gigantic trap* for the Arabs. I sincerely believe that Israel's governments, starting with General Rabin, have set a most clever trap, to make the Arabs think that they have a small "window of opportunity" to attack a weakened and outmaneuvered Israel. And, I believe that the first stages of their attack will look very bad for Israel. The Arabs will achieve early victory.

This situation, therefore, will look so bleak that, when Israel is delivered, everyone will understand that God's Divine Protection was at work. Doubtless, those who are familiar with God's promises to Israel originally, will think of the promise, "And five of you shall chase an hundred, and an hundred of you shall put ten thousand to flight: and your enemies shall fall before you by the sword." [Leviticus 26:8]

But, the New World Orders planners will also be very happy that Israel won this war, and annihilated so many Arabs -- those dastardly, fierce people, that have the audacity to strongly believe in One God!

To reiterate, God has given Israel some concrete, unbreakable promises to Israel in the Latter Days. Let us finish with a review of some of these promises, written almost 2,500 years ago, with their fulfillment in the End of the Age.

* "Egypt shall be a desolation, and Edom [Today, a Palestinian Arab province of Jordan] shall be a desolate wilderness, for the violence against the children of Judah, because they have shed innocent

blood in their land. But Judah shall dwell for ever, and Jerusalem from generation to generation. For I will cleanse their blood that I have not cleansed: for the LORD dwelleth in Zion." [Joel 3:19-21] Notice that Egypt and Edom will be judged in this Last Days of time because of "... the violence against the children of Judah, because they have shed innocent blood in their land." As I read of this verse, I am reminded of the many terrorist bombings which the Arabs, including the Palestinians, have carried out against Israel. On this day, God shall bring these *cumulative* sins to account. And, Egypt, who has waged several modern wars against Israel, will be judged and destroyed on this day.

* "And I will bring again the captivity of my people of Israel ... And I will plant them upon their land, and they shall no more be pulled up out of their land which I have given them, saith the LORD thy God." [Amos 9:14-15] God promised Last Days Israel that, after He had accomplished the miracle of returning the Jews back to their land, He would ensure that they were never again "be pulled up out of their land"!!

* In Zechariah 12:3-9, God thunders down from His throne in Heaven this promise: [Selected emphasis is mine]

"And in that day will I make Jerusalem a *burdensome stone* for *all* people: *all* that burden themselves with it shall be *cut in pieces*, though all the people of the earth be gathered together against it. In that day, saith the LORD, I will *smite every horse with astonishment, and his rider with madness*: and I will open mine eyes upon the house of Judah, and will smite every horse of the people with *blindness*." Did you understand this statement? The reason that no Arab army, or a collection of Arab armies, can ever defeat Israel is that, at the moment of battle, God will intervene to cause many of the Arab soldiers, and most probably the officer corps, to go mad, to not think clearly, to be confused. We have already had many reports of this mental confusion in the past wars since 1948, and this war will be no exception!

* "In that day will I make the governors of Judah like a *hearth of fire* among the wood, and like a *torch of fire* in a sheaf; and they shall *devour all the people round about, on the right hand and on the left*: and Jerusalem shall be inhabited again in her own place, even in Jerusalem. The LORD also shall *save* the tents of Judah first In that day shall the LORD *defend* the inhabitants of Jerusalem; and *he that is feeble among them at that day shall be as David*; and the *house of David* shall be as **God**, as the angel of the LORD before them."

Wow!! God cannot be more clear!

"And it shall come to pass in that day, that I will seek to destroy **all** the nations that come against Jerusalem."

What all the Arabs simply do not understand is that they are fighting God Almighty, the One God of the universe, the Holy One of Israel. Their armies will be struck down with blindness and mental madness, whereas God will so greatly embolden the Jewish soldiers that can make it to the battlefield that they will fight more fiercely than anyone can imagine. The "feeble" Jewish soldier will fight like he was King David of old, and Jewish members of the House of David will fight like they are Divine, like they were Omnipotent God Himself!!

The slaughter of the Arabs will be both unanticipated and unprecedented. How bad will this slaughter

be? We quote Obadiah 18, as we did in [NEWS1026](#), "And the house of Jacob shall be a fire, and the house of Joseph a flame, and the house of Esau for stubble, and they shall kindle in them, and devour them; and there shall not be any remaining of the house of Esau; for the LORD hath spoken it." Another translation states the extent of the destruction this way, "... there shall be no survivor of the House of Esau, for the Lord has spoken it".

The House of Esau is the Palestinian Arabs, some of which are trying to make a nation state within Israel -- being led by Arafat. But, even more Palestinian Arabs live just across the Jordan River, in modern Jordan, in Moab and Edom. Their destruction is also evidently called for here, too.

God has not only made these promises of protection to Israel and promises of physical destruction to the Arabs, He has made the precise carrying out of these prophecies a matter of honor to His Mighty Name. This honor is so serious in God's eyes, that, **IF** the Arabs succeed in destroying Israel, you can **destroy your Bibles and look for another religion in which to believe!!** God will have been proven to be a liar, and worse, impotent!

In this time, we must pray for Israel and for her protection. She has been the victim of a racial hatred as strong as any in world history. The Arabs, who have hated her for so long, are going to try this one last time to destroy her, but this time God is going to eradicate the Arabs.

In [NEWS1057](#), we shall continue to examine this most interesting article in the Jewish Press, plus we shall examine the full report from which this article was taken, the U.S. House of Representative's report entitled "Task Force On Terrorism & Unconventional Warfare: Approaching The New Cycle Of Arab-Israeli Fighting". In this article, we examined this planned, imminent war from Israel's perspective; in NEWS1057, we shall examine this war from three perspectives: 1) The perspective of the Arabs;

2) The **Nuclear Factor** in this war, drawing entirely from our House of Representatives' report; 3) The Industrialized world. Tune in, and you will be greatly shocked!

The time is truly growing short. Are you spiritually ready? Is your family? Are you adequately protecting your loved ones? This is the reason for this ministry, to enable you to first understand the peril facing you, and then help you develop strategies to warn and protect your loved ones. Once you have been thoroughly trained, you can also use your knowledge as a means to open the door of discussion with an unsaved person. I have been able to use it many times, and have seen people come to Jesus Christ as a result. These perilous times are also a time when we can reach many souls for Jesus Christ, making an eternal difference.

If you have accepted Jesus Christ as your personal Savior, but have been very lukewarm in your spiritual walk with Him, you need to immediately ask Him for forgiveness and for renewal. He will instantly forgive you, and fill your heart with the joy of the Holy Spirit. Then, you need to begin a daily walk of prayer and personal Bible Study.

If you have never accepted Jesus Christ as Savior, but have come to realize His reality and the approaching End of the Age, and want to accept His FREE Gift of Eternal Life, you can also do so now, in the privacy of your home. Once you accept Him as Savior, you are spiritually Born Again, and are as assured of Heaven as if you were already there. Then, you can rest assured that the

Kingdom of Antichrist will not touch you spiritually. If you would like to become Born Again, turn to our [Salvation Page](#) now.

We hope you have been blessed by this ministry, which seeks to educate and warn people, so that they can see the coming New World Order -- Kingdom of Antichrist -- in their ***daily news.***

Finally, we would love to hear from you.
