

# Egy.com

*Cairo's Recollections... online!*

WANT TO KNOW SOMETHING ABOUT CAIRO, Africa's largest city? You've come to the right place! **EGY.COM** by Samir Raafat offers a variety of old and new articles, photos and references dealing with 19th and 20th century aspects of a 1000 year old capital. Learn about its architecture, its landmarks, its character, its people and its problems. This is about a millennium old city which cannot sit still. *Enjoy!*
