It is a light thing that thou shouldest be my servant to raise up the tribes of Jacob, and to restore the preserved of Israel: I will also give thee for a light to the Gentiles, that thou mayest be my salvation unto the end of the earth (Isaiah 49:6).

OUR VISION

Exposing Deceptions

Error is like leaven, of which we read “A LITTLE LEAVEN LEAVENETH THE WHOLE LUMP”. Truth mixed with error is equivalent to all error, except that it is more innocent looking and, therefore, more dangerous. God hates such a mixture! Any error, or any truth-and-error mixture, calls for definite exposure and repudiation. To condone such is to be unfaithful to God and His Word and treacherous to imperiled souls for whom Christ died.

H. A. Ironside

OUR MISSION

Restoring the Truth

There is to be no undermining of the fundamental truths that the Lord has submitted by many miraculous evidences. A voice is to be heard in clear affirmation of the truth, in contradiction to the skepticism and fallacies that have been coming in from the enemy of truth

This Day with God

Amazing Discoveries™ is a front-line evangelistic ministry that uses innovative methods to reach people for the Lord Jesus Christ by spreading the Gospel, exposing deceptions, and presenting new perspectives in science, religion, media, health, and world events. Our message is delivered through seminars and the use of print and electronic media, including radio, television, and sales of DVDs.

RESTRUCTURING

Also in 2016, we experienced a major restructuring in the ministry. Longtime founders Dagmar & Wenzel Goubej are taking a much-needed rest until they have decided what their plans for the future will be. Walter Veith became the new president. Mark Kiefiuk became the new vice-president. Shirley Kiefiuk took on the role of HR manager and Assistant Operations Manager, and Wendy Goubej became the new Operations Manager.

We want to express our sincere thanks and appreciation for Dagmar and Wenzel's commitment to founding the ministry. They have spent so much of their money to build up the ministry in the early years and have worked tirelessly to propel the work forward.

We are looking forward to what God has in store for this Ministry in the next few years. With the new management have also come new ideas and new expansions.

Although we are still early in our planning stages, some of the plans already laid include:

- *expanding our production of documentaries to include short thought-provoking presentations geared for the secular mindset,*
- *a documentary series on the Reformation filmed on location in Europe for secular TV stations and podcasts,*
- *the completion of Enmity,*
- *encouragement for the Remnant Church in end-time preparation – both spiritual and physical,*

- *online spiritual and health summits,*
- *a mission school in the country where we can also host larger gatherings such as camp meetings so that our friends and supporters can attend.*

In all these plans, the finishing of the work is our primary goal. We are not sure how much longer we will have to do this work, but if God permits it, we pray God will use these efforts for His glory alone.

We solicit your prayers on our behalf as we take up these new roles, and forge ahead with renewed strength for all that the Lord directs. Your continuing support whether financial or through prayer and letters of encouragement is more valuable to us than we can express. We pray that you will continue to walk with us as allies, friends, and fellow brothers and sisters in the work of the Lord.

TESTIMONIES

I've only been a Seventh-day Adventist for just a few months. After years of research and God's grace I have found Walter Veith's seminars, and then I found Amazing Discoveries, and mainly thanks to your great work I'm an Adventist today. At first I was very skeptical to join the church, having visions of the catholic institution in mind. I'm so thankful to God for finding and rescuing me. The truth you are broadcasting is the message everyone should hear!

Marcin

Dear AD Team,

I have learned so much from Dr. Walter Veith's multiple series seen on ADtv. What a blessing to learn the truth God has revealed to Dr. Veith. Learning more truth began in May 2014, after submitting a question about a publication, someone in the SDA church called and recommended a Bible to me. Contacted the ADtv team and you promptly provided an answer. Soon after that reply I began watching Dr. Veith's videos through ADtv and learned about Westcott and Hort. The pieces began to fall into place quickly, from that point forward. I could not view enough of Dr. Veith's videos. I was baptized into the SDA church last month, and am so thankful to everyone who shares the Bible truth, especially to Dr. Veith. Those of you at ADtv had a part in this, too.

Had I not learned about Westcott and Hort, I would likely have walked away from the local SDA church, thinking they were like all the others encountered in the past. Wish I could personally thank Dr. Veith for sharing his truth but know this is not possible. Your fall sale is great! Ordered Total Onslaught, Rekindling the Reformation, and the Genesis DVD sets today. Purchasing Dr. Veith's multiple DVD series is another way of expressing thanks and showing appreciation for his missionary work in sharing the gospel truth about Jesus. Want to thank all of you at ADtv for your support. Dr. Veith's truth would not have been seen/heard without your response to the message inquiry in May 2014. Just wanted you to know how much you are appreciated! Everyone has important work to do when it comes to serving Jesus and sharing His truth with others.

Gwen

Dear Friends in Christ,

I am so thankful that I have found your website. The many lectures and sermons on the SDA Gospel message have greatly impacted my life and that of my husbands'. I am also grateful for the very timely books you have available and have since began memorizing scripture with Authorized KJV. I have been giving a Bible Study to a friend of mine who is learning so much in the way of additional reading material and research. Please use the funds as indicated. May God greatly bless you. Soon the world will grow dark, but then the Dawn! Even so come Lord Jesus! Sincerely,

Catherine

Greetings from Norway!

Hi Friends,

I pray all is well with you and the AD team. Silvia and I just got back from our yearly Living Water summer camp. This year we had a special couple attend the camp meeting and I just need to shortly share their story with you. About a year ago they came across Amazing Discoveries on the internet and started watching it a lot. They had no strong Christian background but felt that the messages were very relevant and answering lots of questions they had. They could not get enough of the amazing truths they were learning from Walter Veith and other speakers on the channel. One day they quit all their cigarettes and meat, deciding to live healthier. They also decided to start keeping the Sabbath. By this time they had never set a foot into an Adventist church. The man had long hair down to his waist but cut it the day before they went to church. To make a long story short, the church in Holland was quite different than what they were exposed to through Amazing Discoveries, but they see it as a mission to be a

light to the people, though they are so young in the faith. Last April they got baptized! They told me that they have watched all my sermons on AD. While searching for more

they came across our Living Water website where they learned about our summer camp. And so they came.... They shared their testimony on one of the evenings at the camp. People loved it! I thought it would be an encouragement for you to hear also. AD is bringing the truth into the homes of people, even in secular Holland! It makes me just wonder how many more people there are out there like this couple. Eternity will tell. Till then let us continue to beam the light across the globe. Our prayers are with you!

Blessings, *Daniel and Silvia*

I love Amazing Discoveries because it's God's pure truth to me and it's not watered down. Keep up the good work, you are in my prayers every day. God bless you always.

Patricia

A Amazing Discoveries, Walter Veith and many others speakers have given me so much more understanding and calming assurance that Jesus is with me always. This channel is a blessing and a comfort in the storm, no secular TV for me!

CZECH REPORT WITH WALTER VEITH

From March 3 to March 9, 2015, Walter Veith conducted an evangelistic campaign in Brno, a city in the district of Moravia near the center of the Czech Republic.

The evangelistic series was advertised throughout the city and to our surprise, more than 50% of the hall was filled up with young people attending the meeting. Approximately 350 young people attended every night and by the end of the series, we had numerous people asking for Bible studies. The final outcome was 40 people presently engaged in Bible studies with local church and AD supporters. It was such a blessing to see so many interested to know the truth in this secular country. The Adventists that helped make these meetings possible were blessed and encouraged to see the response. The new fledgling AD branch in the Czech Republic has made an impact in that country, and God will continue to bless them as they work for the salvation of souls in the Czech and Slovak languages.

A Special Sabbath

On Sabbath, March 5, the six churches in the town of Frydek Mistek closed so that all the members could attend the rented hall where Walter Veith was to speak for the day to encourage the believers. The hall held 650 people but was filled beyond capacity with 100 extra chairs set out, overflow rooms filled, and people even sitting on the steps of the auditorium to hear the messages. In the end, the count came to almost 800 people. Walter Veith presented “From Crete to Malta” and the message was received with gladness and solemnity.

The highlight of the day was when the coordinators asked who among the members was acquainted with and had been blessed by Walter Veith’s ministry. About 75% of the audience stood, and when asked who out of those standing had been led by Walter’s ministry to either become an SDA or renew their commitment to the Seventh-

day Adventist church, more than 100 people poured onto the stage to give their testimony. These people had either been baptized through Pastor Veith’s ministry or had renewed their faltering faith as a result of it. Many of these were young people. We are moved to tears at the sight of so many people who had heard the messages of Amazing Discoveries unbeknownst to us even though we had never put anything out in the Czech language. It was God who was using the messages to reach these people.

God is looking for people in every nation today – people who are searching and crying out for light. Do not give up praying for miracles in these last days. The Lord is coming soon, and He will finish the work for He is working in every nation, bringing people to find the truth through the internet, satellite, and through the sharing and witnessing of evangelistically-minded people like you.

We thank you for your continuing support of our ministry.

REPORT OF EUROPEAN SERIES WITH KIM KJAER

It was with eager anticipation that on October 30, 2016, Judy and I winterized our home and drove to our local airport to catch a small plane to Vancouver, BC. The following morning, we boarded a plane for Toronto, and nearly seventeen hours later arrived in Brno, Czech Republic by way of Munich, Germany. Martin Dejmek of Amazing Discoveries Czech Republic met us at Brno and drove us to what was to be our home for the next three weeks. We were welcomed with open arms by our kind host family and treated like royalty for the duration of our stay. Our luggage was delivered the following day.

The series of meetings, entitled The Future of Europe, was designed to encourage the secular person to study the Bible. It covered the prophecies of Daniel 2 and 7 and Revelation 12-14. The background for these prophecies was the history of the Czech people from the time of Wycliffe and Jan Hus to the present day.

The Bystřice church was warm and friendly, supporting the meetings very well and supplying outstanding vocal and instrumental music. The church was full nearly every time we met. Members said that there were many visitors from the surrounding community attending, and a whole church that was watching online. Each person was encouraged to make decisions for God and to commit to studying the Bible. As I was standing in the foyer one evening, greeting the people as they went out, I saw several visitors go over to the free literature table and take beautiful hardback editions of The Great Controversy, Desire of Ages and Steps To Christ.

Each meeting was streamed live and then archived. There were some technical difficulties the first two evenings. The first night,

YouTube archived the meeting in some kind of compressed form, so that the video was only about 15 minutes long. We were thankful that the hard drives had made a backup copy and the team was able from that to put the complete video on YouTube. The following evening, the local hard drives failed, but YouTube worked correctly and successfully stored an HD version of the stream. The YouTube videos have been viewed many times, the earliest one over 2,500 times in a month, and the last one over 800 times in a couple of weeks. The AD team from Brno did a great job of making sure the streaming and archiving went well.

The meetings were watched online in various countries including the US, Poland, Slovakia, and Germany. One of the members attending the meetings has a daughter living and working in Saudi Arabia who watched the lectures from there. The daughter reported that Saudi Arabian nationals were then asking her to tell them about the end of the world. It's amazing that God can reach people in Saudi Arabia through meetings in the Czech Republic!

The church's pastor and the church family were very cooperative and appreciative of the meetings. We held meetings on three Friday, Saturday and Sunday nights, a sermon on each of the three Sabbath mornings, and a Prayer Meeting during our final week.

The church also sponsors a Health Club as a way to reach out to the community.

They use a room in the City Hall to conduct their meetings, and they invite the public to attend talks on various health topics. The room was full on the evening of Judy's meeting, with several people from the community in addition to church members. She discussed natural remedies, including fasting. We later found out that one gentleman attending our meetings had begun to come down with a cold. After the health talk, he stopped eating for a day or two, and he never got the cold. He was happy for such a simple remedy which cost nothing!

We made many Czech friends and, thanks to them, we were able to see a few of the historically significant places in the area. Once our time there was up, we travelled with Martin and Jarek to Nuremberg where we stayed with Stan and Petra Sedlbauer of AD Germany. There we were also treated royally for almost a week, went for walks together, and were taken to see some of the sights. We recorded three sermons and one interview in the AD studio, and held night meetings at the Nuremberg church on Friday, Saturday and Sunday, as well as the Sabbath morning sermon. As in Bystřice, both the church and the pastor were wonderfully supportive. The meetings were streamed and archived on YouTube. We were told there were about twenty visitors on the final evening, at the conclusion of which we gave an altar call. Thirty or more people responded to that call, many with weeping. It was wonderful to see the Spirit of God working in the hearts of so many.

We wish to thank AD for sponsoring these series in Czech Republic and Germany. We were very blessed to be able to take part in those meetings.

In February the studio lighting was professionally installed.

In March, the work on phase one of our recording studio was nearing completion. The stage was built, control room work-space installed and the walls and backdrop in the studio painted.

In April 2016 the carpets were installed and all extra equipment and furniture was bought. As we pay the full rent for the studio building now, it was decided that we move the DVD production to the same building. This is the first step towards a formal AD Africa office.

In May 2016 the work on the ADMA studio phase one was completed.

RECORDING STUDIO

The process to get our recording studio ready commenced in September 2015. A team of local church members are committed to help us make the studio a reality.

BOOK DISTRIBUTION

50 000 Copies of the book ***Die Groot Stryd*** (The Great Controversy) was printed by a church member in Cape Town, and ADMA was requested to assist with the distribution. The goal was to get as many of these books as possible in the hands of non-Adventists. Our vision is to have each church member commit to buy a certain quantity each month and give them away to non-Adventists.

This book is printed in hard cover and is the complete original ***Great Controversy*** (672 Pages). We have received our first 11 200 copies, and have distributed 1126 books since 27 July 2016. We have also successfully moved the DVD production from Fanie and Connie's home to the office

at the end of July 2016.

RECORDINGS

Walter Veith presented ***From Crete to Malta*** in Afrikaans in Vanderbijlpark from 11-17 April 2016. Editing was done by Fanie and we started distribution at the end of May 2016.

A series of 7 interview style presentations by Francois du Plessis and Walter Veith on archeology and typology – ***Archaeological Types*** - was recorded during the week of 22 - 31 May 2016 with Henry Stober's assistance during his visit. Fanie edited the series and it was made available to AD Canada for broadcast in August 2016.

Creation by God or Evolution from Nothing by Nicolene Filmlalter was recorded in October 2016 in the Hoedspruit Studio. This was the first time we had an audience present during recordings, and all went well. Her testimony entitled ***Confronted by Truth*** was also recorded in interview style with Walter. It was also on YouTube and this has increased overseas orders for the book exponentially. The series is still being edited.

IN CONCLUSION

Amazing Discoveries Ministries Africa wishes to express sincere

appreciation to AD Canada for the privilege of working together with you in this most solemn work of spreading the truth to the world so that precious, lost souls may have an opportunity to learn about the love our Saviour, Jesus Christ, has for them.

“We have nothing to fear for the future, except as we shall forget the way the Lord has led us, and His teaching in our past history.” {CET 204.1}

There is work to be done for those who know not the truth, just such work as was done for you when you were in darkness. ... To everyone the Householder has given a work. Let us go forward, and not backward. We want a new conversion daily. We want the love of Jesus throbbing in our hearts, that we may be instrumental in saving many souls.--Review and Herald, June 10, 1880. {ChS 91.1}

TESTIMONIES

Dear AD Staff

I want to thank you from the bottom of my heart for all that you have done and are continuing to do. I would not be an Adventist today if it were not for you. I know that many of you have had to make sacrifices in your lives in order to preach the message that you preach. But I want you to know that it has not been for nothing!

I want to tell you my experience that I have had. I grew up a Seventh-day Adventist, in a secular Adventist home, one that almost never goes to church. My family (even though they are Adventist) has always had something negative to say about the church. This has been the case since I was a child. Yet for some strange reason I have always desired to get to know God and have loved being a part of His Remnant church. But because of the circumstances

that I have grown up in, my life has been one big unending roller coaster ride. I am a youth and have seen family member after family member and friend after friend walk out of the church. There have been times in my life where I have felt like I was the only one left. There have been times where I have felt like giving up, but every time I feel that way AD comes out with a new series.

Each series you have come out with seems to have been released strategically at the most appropriate time possible (I don't know how you do it). Each series has lifted me up and has given me courage to move forward in spite of the circumstances that surround me. One in particular, the Total Transformation series is the series that has convinced me that this church is the Remnant church. I

have learnt that the question is not whether the church is going to make it through to the promised land, but the question is, am I going to be on board when the church enters into the promised land.

I know that there are rough waters ahead, but we shall face them together as a family and one day, if all goes well, when we get to heaven I will be able to thank you in person. I pray for all of you, that God will bless you and that you will have the courage to press forward in spite of the obstacles ahead. I thank you from the bottom of my heart; for all that you have done for me. If there is anything that I can do to help you, please let me know.

Thank you,

Thank you, *Kevin*

Hello,

I live in the UK and I've been meaning to write my thanks for some time.

I have watched the lectures presented by Walter and the team for some years and in direct consequence they have helped me find my way through the Bible; I was baptized into the Seventh-day Adventist church early last year, I was leading Sabbath School and Bible Study by the middle of last year and became an ordained deacon earlier this year; The last three years have been wonderfully life-changing.

I thoroughly appreciate so much that I have learned through your organization and simply wanted to write and express my sincere thanks to you all!

Kind Regards,

Adam

I I am excited that we do something for Muslim people! I totally agree with you that Allah is NOT the God we serve. Far from it! Anyone who has an English Koran must come to the conclusion as I have, that in no way are those writings God inspired, period.

anonymous

I enjoy your programming. I find Walter Veith extremely well versed and exceptionally informative, especially in matters dealing with current events and preparing for Christ's Second Coming.

Michael

I I have been following your programs on health, and the Word of God. I have been blessed!

Verna

*S*o happy to find your website. My husband and I have only been SDA for about 5 years and we know God sent us in the right direction. I'm reading and watching everything I can get my hands on because we know we have found the truth at last. Pastor Veith you are amazing, keep up the good works. May God bless you and keep you safe.

Hazel

I I would like to take this short time to THANK YOU for the evangelistic work that you are doing: Affirming the truth, and exposing deception. Ever since I started watching ADtv my life changed positively from bad to good. I am now a Sabbath keeper with a local church here in Lesotho. Surely you will always be in my prayers for a continued broadcasting of the word of God.

ENMITY

BATTLE LINES: PROLOGUE

THE FIRST EPISODE IS FINALLY COMPLETE AND READY ON DVD.

Throughout the production, the concepts surrounding this issue of enmity were revealed to us in multiple ways. The war between Christ and Satan is an all-out war that wages every single day. We are so used to living in the world that we hardly notice this controversy exists. But it does exist, not only on a global level, but also in relationships between people, and even within our own hearts. We

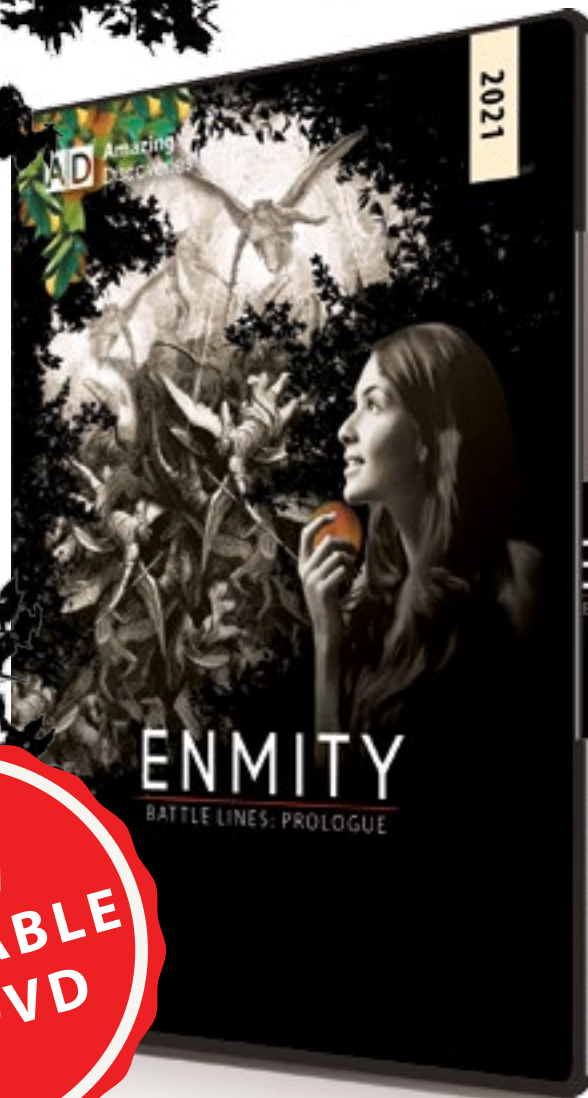

see Enmity – a permanent hostility between two parties – wherever we look. From the interactions between husband and wife, sister and brother, friend and friend, neighbour and neighbour, stranger and stranger – in the family, in society, between countries – enmity rages.

Our society is composed of the decisions made on a personal level. Out of society's composition, we experience the goodness or evil of what the collective mindset can

produce. And most often it is pain and suffering, because our choices affect others for good or for evil.

Enmity the series is about this war – the war for every heart, and the war Satan wages against God on a global level.

The Enmity series is for anyone who has asked the hard questions: Why is there suffering and pain in this world? What is my purpose in this life? Where are we going? **How will it end?**
