# Vatican COUNCILS

*The Counter Reformation, set up by the Catholic Church in response to the Protestant Reformation, was a master plan to draw all denominations back under the authority of Rome. Vatican II Council was one step forward in the march towards restored papal power.*

1) What teachings of the church, if any, were actually changed during the Vatican II Council? (00:04:45)

### **The Second Vatican Council's Decree on Ecumenism:**

*For it is through Christ's Catholic Church alone, which is the universal help towards salvation, that the fullness of the meaning of salvation can be obtained...*

*Christ bestowed unity on his Church from the beginning. This unity, we believe, subsists in the Catholic Church as something she can never lose.*

### **Priest J. Cornell, as quoted in Charlene Fortsch, *Daniel: Understanding the Dreams and Visions* (British Columbia: Prophecy Song, 2006):**

*The final object of ecumenism, as Catholics conceive it, is unity in faith, worship, and the acknowledgment of the supreme spiritual authority of the Bishop of Rome.*

**“Who Belongs to the Catholic Church,” line 836, *Catechism of the Catholic Church*:**

*All men are called to this catholic unity of the People of God... the Catholic faithful, others who believe in Christ, and finally all mankind, called by God’s grace to salvation.*

**Bonaventure Hinwood, *Further Questions Answered*:**

*Vatican II teaches in several places that the Catholic Church, and it alone, is the Church founded by Jesus Christ.*

**Cardinal Joseph Ratzinger (who became Pope Benedict XVI), as quoted in *The Independent* (September 5, 2000):**

*The one, holy, catholic and apostolic universal church is not the sister, but the mother of all the churches.*

*The participation in the Celebration should be internal, but must be, on the other hand, \_\_\_\_\_ also... internal participation by \_\_\_\_\_, by the acclamations, responses and singing.*

*By endorsing a **religion of emotionalism** and excitement, Rome can now draw **all denominations** and religions together based on feeling and “peace,” rather than basing unity on **truth**.*

*I come from... a Shamanist, Buddhist and Confucian and Taoist and Christian tradition... when I look at our history of religion, we have more than 5000 years of Shamanism, more than 2000 years of Taoism, and almost 2000 years of Buddhism, 700 years of Confucianism and only 100 years of Protestantism in Korea. Therefore, whenever I go to temples... and look at Buddha, I feel so young... Buddha died in his 80s and Jesus died when he was 33. Maybe... Jesus should be called 'Too young to understand.'...*

*I feel like my bowel is Shamanist, my heart is Buddhist, my right brain is Christian...I call it a family of gods and... they are together.*

*Sin is any act of thought that robs myself or another human being of his or her self-esteem...*

*Classical theology has erred in its insistence that theology be 'God-centered,' not 'man-centered.'*

*...One classical role of the pulpit in Protestantism has been to 'preach sermons' which imply indoctrination more than education. Within this form of communication, there is an inherent, intrinsic inclination to intimidate, manipulate, and, hence, offend the person's most prized quality of humanness—his dignity.*

**Robert H. Schuller, *Phil Donanue Show* (August 12, 1980):**

# My DECISION For Jesus

Can you see how religions are moving together and how the Vatican has become the central moving power?

**Acts 5:27-29:**

*And when they had brought them, they set them before the council: and the high priest asked them, Saying, Did not we strictly command you that ye have filled Jerusalem with your doctrine, and intend to bring this man's blood upon us. Then Peter and the other apostles answered and said, We ought to obey God rather than men.*

Like the apostles of old, what decision do we need to make? Will you give God control of your life and join His side rather than being counted among the religious New World Order?
