Opening The SEALS

4) What does the opening of the seventh seal symbolize in Revelation prophecy? (00:17:35)

5) What are some indicators of the opening of the sixth seal, the seal just previous to the seventh? (00:17:50)

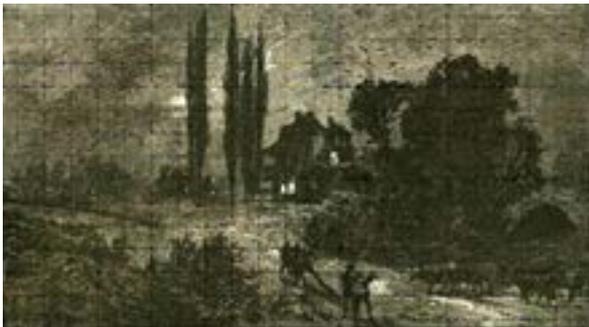

Revelation 6:12-13:

And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.

6) When and where did these very events take place in history?

An artist's depiction of Dark Day, 1780.

“History of Weare, New Hampshire, 1735-1888,” (Boston Public Library):

The dark day of New England, so familiar to old and young, came May 19, 1780...Near eleven o'clock, it began to grow dark, as if night were coming. Men ceased their work; the lowing cattle came to the barns, the bleating sheep huddled by the fences, the wild birds screamed and flew to their nests, the fowls went to their roosts...At night it was so inky dark that a person could not see his hand when held up, nor even a white sheet of paper.

***The Independent Chronicle* (Boston, June 8, 1780): 4, as quoted in W. A. Spicer, “The Dark Day of 1780,” *Our Day* (Review and Herald Publishing, 1918).**

During the whole time, a sickly melancholy gloom overcast the face of nature...Nor was the darkness of the night less uncommon and terrifying than that of the day; notwithstanding there was almost a full moon, no object was discernible, but the help of some artificial light, which, when seen from the neighboring houses and other places at a distance, appeared thro’ a kind of Egyptian darkness, which seemed impervious to the rays.
