*As a Baha'i I see myself as a world citizen and I strongly believe that the world is moving closer to a united global community, a human family... Unity in diversity may sound like just another sound-bite, a trite piece of verbal cosmetic in an age where content is less important than presentation. The spiritual concept, it is a key tenet of the Baha'i faith and it is an essential concept to bear in mind when trying to find solutions to a wide range of global problems.*

# Pope launches crusade to save Sunday

THE Pope will send a message to British Protestants this week to protest the spread of Sunday trading. He will urge Protestants to demand a day of worship and recreation for God.

By Christopher Morgan Rome

Early today in Rome the Pope said that he would be launching a crusade to save Sunday. He said that he would be asking Protestants to demand a day of worship and recreation for God.

...the observance of Sunday by Protestants is a homage they pay, in spite of themselves, to the authority of the Catholic Church.

The Pope always appears

Make it clear that Sunday must not be worked, since it must be celebrated as the day of our Lord

...the observance of Sunday by Protestants is a homage they pay, in spite of themselves, to the authority of the Catholic Church.

...the observance of Sunday by Protestants is a homage they pay, in spite of themselves, to the authority of the Catholic Church.

## Monsignor Louis Segar, Plain Talk about the Protestantism of Today: 213:

...the observance of Sunday by Protestants is a homage they pay, in spite of themselves, to the authority of the Catholic Church.

## The Jesuits Catechism, according to St. Ignatius Loyola: for the instructing and strengthening of all those which are weak in that faith:

Second Edition, London, 1681, by A H; Etienne Pasquier.

Q. What if the Holy Scriptures command one thing, and the Pope another contrary to it?

A. The Holy Scriptures must be thrown aside, as being doubtful (u) André Du Val, Libelli de ecclesiastica et politica potestate, p. 88, 89

Q. What is the Pope?

A. He is the Vicar of Christ, King of Kings, and Lord of Lords, and there is but one Judgment-Seat belonging to God and the Pope.

**The Catholic Mirror (December 23, 1893):**

*Reason and common sense demand the acceptance of One or the other of these alternatives: either Protestantism and the keeping holy of Saturday, or Catholicity and the keeping holy of Sunday. Compromise is impossible.*

**Editorial, The Catholic Mirror (September 23, 1983):**

*Sunday is to this day the acknowledged offspring of the Catholic Church, as spouse of the Holy Ghost, without a word of remonstrance from the Protestant world.*

**Cardinal Gibbons, The Faith of our Fathers (John Murphy Company): 89:**

*You may read the Bible from Genesis to Revelation, and you will not find a single line authorizing the sanctification of Sunday. The Scriptures enforce the religious observance of Saturday: a day we never sanctify.*

19) Has Rome changed since these writings were penned?

---

20) What does the New Age World say about the uniting of World Religions? (00:51:10)

---

---

**Alice A. Bailey, World Goodwill Letter 4 (1993): 2.:**

*The day is dawning when all religions will be regarded as emanating from one great spiritual source; all will be seen as unitedly providing the one root out of which the universal world religion will inevitably emerge. Then there will be neither Christian nor heathen, neither Jew nor Gentile, but simply one great body of believers, gathered out of all the current religions. They will accept the same truths, not as theological concepts but as essential to spiritual living; They will stand together on the same platform of brotherhood and of human relations; they will recognize divine sonship and will seek unitedly to co-operate with the divine Plan...such a world religion is no idle dream but something which is definitely forming today.*

(00:52:50) 

---

22) What do other mighty men and women of this world say about the last scenario? (00:55:28)  

---

---

---

**Robert Muller, *New Genesis: Shaping a Global Spirituality* (Garden City, NY: Image Books, 1994): 183:**

*The world's major religions must speed up dramatically their ecumenical movement and recognize the unity of their objectives in the diversity of their cults. Religions must actively cooperate to bring to unprecedented heights a better understanding of the mysteries of life and of our place in the universe. "My religion, right or wrong," and "My nation, right or wrong" must be abandoned forever in the planetary age.*

**Alice A. Bailey, *The Reappearance of the Christ*: 13.**

*There must be NO.. distress over the DISAPPEARANCE of the old order...The good, the true and the beautiful is on its way, and for it MANKIND IS RESPONSIBLE, and not some outer divine intervention.*

*Media moguls are also involved in this mindset. Ted Turner, founder of CNN, called Christianity a "religion for losers" and suggested that those who oppose abortion are "bo-zos." He also suggested that US citizens should not have more than two children, and eventually that "A total world population of 250-300 million people, a 95% decline from present levels, would be ideal" (Jim Rutenberg, "MediaTalk; AOL Sees a Different Side of Time Warner," New York Times, March 19, 2001).*
